A PSYCHOBIOGRAPHIC INQUIRY**

Alexander J. Nemeth

Voltaires Tormented Soul A Psychobiographic Inquiry

Alexander J. Nemeth

Voltaire's Tormented Soul A Psychobiographic Inquiry:

Voltaire's Tormented Soul Alexander J. Nemeth, 2008 The findings in essence reveal a person of dual identity with unconscious forces playing a prominent role and holding the key to Voltaire's paradoxical character His conscious rational and cognitively astute self the standard bearer of the philosophes in their epochal struggle for freedom was also responsible for sealing off the subconscious portion of the self associated with traumatic experiences The elaborate characterological structure erected to ward off consciously unacceptable impulses and simultaneously to obtain satisfaction of frustrated needs is the subject of this study The price he had to pay for the drastic disconnect between the two selves was formidable In this volume much attention is devoted to the unconventional ways and phantasmal stratagems adopted for dealing with the internal pressure of repressed impulses and a perpetual quest for affectional support Some of these maneuvers show tenuous contact with social reality as do his bizarre psychosomatic symptoms and bold rationalizations in the Memoirs Fortunately for the Western world Voltaire's prodigious mind was put to use in rattling the cage of the intolerant and rigidly backward theocratic political system Due to his immense popularity as a playwright and his agile participation in current events through a flood of pamphlets leaflets and occasional pieces together with the gigantic volume and engaging style of his correspondence the name Voltaire became synonymous with the Age of Enlightenment The dual identity did not interfere with his effectiveness as a humanist In fact there is reason to believe that the energy invested in fighting to infame the oppressive authority of Church and State was augmented by a dynamic driving force of the hidden self the never verbalized and consciously never processed bitter resentment of paternal coercion Principles and methods of depth psychology as applied in the study are elucidated and illustrated Jacket *The Scriblerian and the Kit-Cats*, 2008

Immerse yourself in the artistry of words with Experience Art with its expressive creation, **Voltaires Tormented Soul A Psychobiographic Inquiry**. This ebook, presented in a PDF format (PDF Size: *), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge.
