West Bend Fondue Pot Manual:

The Complete Slow Cooker America's Test Kitchen, 2017-10-31 The Complete Slow Cooker is America's Test Kitchen's definitive guide to how to cook using a slow cooker. It builds on the success the test kitchen has had from years of testing and retesting slow cooker recipes and pushing the limits of what a slow cooker can do. Packed with 450 recipes, this blockbuster collection is for both new and experienced slow cooker cooks.

The ^AOxford Companion to American Food and Drink Andrew F. Smith, 2007-05-01 Building on the highly praised and deliciously browseable two volume compendium the Oxford Encyclopedia of Food and Drink in America, this new work serves up everything you could ever want to know about American consumables and their impact on popular culture and the culinary world. Within its pages, for example, we learn that Lifesavers candy owes its success to the canny marketing idea of placing the original flavor mint next to cash registers at bars. Patrons who bought them to mask the smell of alcohol on their breath before heading home soon found they were just as tasty sober, and the company began producing other flavors. Edited by Andrew Smith, a writer and lecturer on culinary history, the Companion serves up more than just trivia, however, including hundreds of entries on fast food, celebrity chefs, fish sandwiches, regional and ethnic cuisine, food science, and historical food traditions.
