What Are You Voices Of Mixed Race Young People:

What Are You? Pearl Fuyo Gaskins,1999-06-15 Many young people of racially mixed backgrounds discuss their feelings about family relationships prejudice dating personal identity and other issues **Mixed-Race Youth and Schooling** Sandra Winn Tutwiler,2016-01-29 This timely in depth examination of the educational experiences and needs of mixed race children the fifth minority focuses on the four contexts that primarily influence learning and development the family school community and society at large The book provides foundational historical social political and psychological information about mixed race children and looks closely at their experiences in schools their identity formation and how schools can be made more supportive of their development and learning needs Moving away from an essentialist discussion of mixed race children a wide variety of research is included Life and schooling experiences of mixed raced individuals are profiled throughout the text Rather than pigeonholing children into a neat box of descriptions or providing readymade prescriptions for educators Mixed Race Youth and Schooling offers information and encourages teachers to critically reflect on how it is relevant to and helpful in their teaching learning contexts What Are You? Voices of Ed-Race Young People Pearl Fuyo Gaskins,1999-01

Biracial in America Nikki Khanna,2011-09-16 Elected in 2008 Barack Obama made history as the first African American president of the United States Though recognized as the son of a white Kansas born mother and a black Kenyan father the media and public have nonetheless pigeonholed him as black and he too self identifies as such Obama s experience as an American with black and white ancestry though compelling because of his celebrity is not unique and raises several questions about the growing number of black white biracial Americans today How are they perceived by others with regard to race How do they tend to identify And why Taking a social psychological approach Biracial in America identifies influencing factors and several underlying processes shaping multidimensional racial identities This study also investigates the ways in which biracial Americans perform race in their day to day lives One s race isn t simply something that others prescribe onto the individual but something that individuals do The strategies and motivations for performing black white and biracial identities are explored **Text Sets** Joanne Kilgour Dowdy,Rachael Fleischaker,2018-07-17 Text Sets Multimodal Learning for Multicultural Students integrates a multicultural approach to teaching with standards based instruction and multimodal learning opportunities in a variety of content areas This unique combination allows teachers to meet the demands of their curriculum while recognizing and honoring the diverse students in their classroom Each chapter provides an annotated text set with a specific theme curricular goals and instructional activities that suggest ways for students to interact with the texts In addition to providing ready made text sets it models a framework for teachers to build their own text sets based on the individual needs of their schools and communities Minority and Cross-Cultural Aspects of Neuropsychological Assessment F. Richard Ferraro,2015-07-16 Minority and cross cultural psychology is more relevant now than ever in our diverse world Given the dramatic local and global changes occurring daily with regard to demographics

population changes and immigration issues minority and cross cultural psychology is fast becoming a respected and critical area of scientific study Pair that with the fact that people of all cultures and racial groups are living longer and experiencing age related diseases and disorders one can easily see the need for additional work on issues related to neuropsychological assessment This new edition brings to the forefront recent developments by seasoned experts in the field They offer up their newest projects in minority and cross cultural aspects of neuropsychological assessment and are joined by new up and coming professionals across a wide array of disciplines including psychology medicine and neuropsychology Like the first edition this updated collection sheds light on the ever growing need for adequate neuropsychological assessment to a wider subset of individuals crossing many cultural and minority barriers in the process Continuously pushing the boundaries of neuropsychological assessment this collection is essential reading for cognitive and clinical psychologists and neuropsychologists and a model text for advanced courses dealing with minority and cross cultural issues

Multiracial Identity in Children's Literature Amina Chaudhri,2017-02-10 Racially mixed children make up the fastest
 growing youth demographic in the U S and teachers of diverse populations need to be mindful in selecting literature that
 their students can identify with This volume explores how books for elementary school students depict and reflect multiracial
 experiences through text and images Chaudhri examines contemporary children s literature to demonstrate the role these
 books play in perpetuating and resisting stereotypes and the ways in which they might influence their readers Through
 critical analysis of contemporary children s fiction Chaudhri highlights the connections between context literature and
 personal experience to deepen our understanding of how children s books treat multiracial identity Is Lighter Better?
 Joanne L. Rondilla,Paul Spickard,2007-02-23 Colorism is defined as discriminatory treatment of individuals falling within the
 same racial group on the basis of skin color In other words some people particularly women are treated better or worse on
 account of the color of their skin relative to other people who share their same racial category Colorism affects Asian
 Americans from many different backgrounds and who live in different parts of the United States Is Lighter Better discusses
 this often overlooked topic Joanne L Rondilla and Paul Spickard ask important questions such as What are the colorism issues
 that operate in Asian American communities Are they the same issues for all Asian Americans for women and for men for
 immigrants and the American born for Chinese Filipinos Koreans Vietnamese and other Asian Americans Do they reflect a
 desire to look like White people or is some other motive at work Including numerous stories about and by people who have
 faced discrimination in their own lives this book is an invaluable resource for people interested in colorism among Asian
 Americans *The Bhagavad-Gita in Black and White* Charles Michael Byrd,2007 Fashioned after the eighteen chapters of
 the Bhagavad Gita the essence of Indias Vedic wisdom and one of the great spiritual and philosophical classics of the world
 this text contains a commentary on each Gita chapter culled from Byrds and other contributors Interracial Voice editorials

Sánchez-Casal, 2009-05-25 This volume explores the impact of social identity on teaching and learning The contributors argue from the perspective of diverse disciplinary and educational contexts that mobilizing identities in the classroom is a necessary part of progressive educators efforts to transform knowledge making and to create a more just and democratic society Mixed Heritage in Young Adult Literature Nancy Thalia Reynolds, 2009-03-19 Mixed heritage people are one of the fastest growing groups in the United States yet culturally they have been largely invisible especially in young adult literature Mixed Heritage in Young Adult Literature is a critical exploration of how mixed heritage characters those of mixed race ethnicity religion and or adoption and real life people have been portrayed in young adult fiction and nonfiction This is the first in depth broad scope critical exploration of this subgenre of multicultural literature Following an introduction to the topic author Nancy Thalia Reynolds examines the portrayal of mixed heritage characters in literary classics by James Fenimore Cooper Mark Twain and Zora Neale Hurston staples of today's high school English curriculum along with other important authors It opens up the discussion of young adult racial and ethnic identity in literature to recognize and focus on those whose heritage straddles boundaries In this book teachers will find new tools to approach race ethnicity and family heritage in literature and in the classroom This book also

helps librarians find new criteria with which to evaluate young adult fiction and nonfiction with mixed heritage characters

The Biracial and Multiracial Student Experience Bonnie M. Davis, 2009-06-29 With great pleasure I accompanied Bonnie Davis on her learning journey to better understand the plight and perspective of biracial and multiracial students Once again she has enriched my understanding of the powerful intersection of race and schooling Educators of all races will benefit from the personal narratives prompts for self examination and provocative research she has compiled Glenn Singleton Founder and President Pacific Educational Group Inc Author *Courageous Conversations About Race* What does it mean to be in between As more biracial and multiracial students enter the classroom educators have begun to critically examine the concept of race Through compelling student and teacher narratives best selling author Bonnie M Davis gives voice to a frequently mislabeled and misunderstood segment of the population Filled with research based instructional strategies and reflective questions the book supports readers in examining The meaning of race difference and ethnicity How mixed identity students develop racial identities How to adjust instruction to demonstrate cultural proficiency Complex questions to help deepen understanding of bi and multiracial experiences white privilege and the history of race in the U S This sensitively written yet practical guide fills a gap in the professional literature by examining the experiences of biracial multiracial students in the context of today s classrooms The author calls upon readers to take a transformational journey toward racial literacy and ultimately become empowered by a real understanding of what it means to be biracial or multiracial and enable all students to experience increased self confidence and believe in their ability to succeed
