Citizen Azmari Ilana Webster-Kogen, 2018-11-06 2019 Winner of Society of Ethnomusicology's Special Interest Group Award for Jewish Music In the thirty years since their immigration from Ethiopia to the State of Israel Ethiopian Israelis have put music at the center of communal and public life using it alternately as a mechanism of protest and as appeal for integration Ethiopian music develops in quiet corners of urban Israel as the most prominent advocate for equality and the Israeli born generation is creating new musical styles that negotiate the terms of blackness outside of Africa For the first time this book examines in detail those new genres of Ethiopian Israeli music including Ethiopian Israeli hip hop Ethio soul performed across Europe and eskesta dance projects at the center of national festivals This book argues that in a climate where Ethiopian Israelis fight for recognition of their contribution to society musical style often takes the place of political speech and musicians take on outsized roles as cultural critics From their perch in Tel Aviv Ethiopian Israeli musicians use musical style to critique a social hierarchy that affects life for everyone in Israel Palestine

Jerusalem and Washington Zalman Shoval, 2018-11-30 Diplomat and raconteur Zalman Shoval leads readers behind the closed doors of Jerusalem and Washington in this memoir into the rooms where prime ministers and presidents made decisions about the first Gulf War the fate of Jonathan Pollard the role of the PLO and Israel's responses to international criticism and hostilities As a member of Israel's Likud party an early ally of Prime Minister Benjamin Netanyahu and a two time ambassador to the United States Shoval has navigated the complicated relationships

among Israel's various ministers and political parties. But none was more fraught than Jerusalem and Washington's in the 1990s when Israel's financial dependence on the U.S. ignited tensions that threatened Shoval's diplomatic expulsion. Since Israel's founding seventy years ago, Shoval has championed its independence, survival, and global reputation. His public life began as a child relocated from 1930s Europe, throwing rocks at Palestine's British occupiers and living alongside Arabs and Jews whose backgrounds differed greatly from his own. As a college student in the U.S. and Switzerland, an intelligence officer in the Israeli Defense Force, a member of Israel's governing majority in Jerusalem, and Israel's ambassador in Washington DC, Shoval's cosmopolitan background has influenced his hopes for Israel and his ability to negotiate with others.
