Christian Muslim dialogue grows increasingly important but little is known about individual Muslim dialogical thinkers Born
in Palestine in 1921 Ismail al Faruqi was a leading figure in the development of conversation and debate across faiths in
North America in the second half of the twentieth century and was actively engaged in inter faith study and dialogue Al
Faruqi founded the Islamic Studies programme at Temple University Pennsylvania where several distinguished Muslim
intellectuals have taught such as Seyyid Hossein Nasr Mahmoud Ayoub and Hasan Hanafi Along with Kenneth Cragg and
Wilfred Cantwell Smith al Faruqi was an active participant in Muslim Christian dialogues in the 1970s and the 1980s Charles
Fletcher here presents the first study dedicated to Ismail al Faruqi s theory and practice of interfaith dialogue Analysing al
Faruqi s sometimes provocative ideas on the comparative study of religion dialogue and practical engagement the author
provides an illuminating study of the life and thought of this important scholar Tracing the development of al Faruqi s ideas
and practice of inter faith dialogue Fletcher shows how Muslim intellectuals engaged in such attempts viewed their role as
representatives of the worldwide Muslim community With perceptive insights into the history of contemporary Muslim
Christian dialogue this book will be invaluable for all those interested in inter faith relations comparative religious studies

Act British courts are for the first time empowered to review primary legislation for compliance with a codified set of

similar to those exercised by the courts under an entrenched Bill of Rights The aim of the book is to subject the leading case
law under the HRA to critical scrutiny whilst remaining sensitive to the deeper constitutional political and theoretical
questions which underpin it Such questions include the idea of judicial deference the constitutional status of the HRA the
principle of parliamentary sovereignty and the constitutional division of labour between Parliament and the courts The book
closes with a sustained defence of the legitimacy of constitutional review in a democracy thus providing a powerful rejoinder
