Summary of What Every BODY is Saying Alexander Cooper, 2021-10-03 Summary of What Every BODY is Saying One of the most influential communication methods we use in our daily interactions is our non verbal or body language It is the kind of communication that ignites the emotions and reactions of our intestinal level Research has shown that understanding body language increases your ability to achieve anything you want in a given situation To improve body language and project an open presence eye contact is the key Eye interaction is one of the most vital means of communication Using direct eye contact while interacting with others can change the way people see them When people begin to speak directly in the eyes of a person they are considered safe reliable and capable Hand gestures and facial expressions are the second levels of change that can be visualized with an open presence These communication methods are ideal for improving the ability to communicate clearly and effectively The skillful use of open hand movements and the expressive effect of the face produce a greater impact when speaking visually stimulating the listener and increasing the amount of information provided during the interaction Even when we are children they teach us that good children are sitting correctly with their legs together and hands crossed in front of them The stimulus

to limit physical space such as children can produce some of the characteristics found in the body language of adult presence To counteract this effect one can begin to assume the characteristics of the open presence body language and integrate those paths into their natural state of being Upon completing this change in behavior the same impressions and nonverbal messages as the open presence counterparts will be displayed We could spend years learning and developing effective body language skills with such an important skill The fact is that most people underestimate the importance of body language until they seek a better understanding of human behavior in a personal relationship or gain an advantage in a highly competitive business situation The mastery of body language allows people to interpret the meaning behind certain gestures and body movements and to understand how messages can be projected and effectively communicated when dealing with others As a result the overall effectiveness of interpersonal relationships has increased considerably The type of closed spoken body language is described in people who bend the body around the midline of the body which extends from the top of the head to the feet directly towards the center of the body The physical qualities that create this type of presence are the feet very close together the arms close to the body the hands crossed or joined in front of the body the small movements of the hands the shoulders forward and the eyes concentrated at eye level Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book

to transform for years to come What We Say and How We Say It Matter Mike Anderson,2019-02-26 We all want our students to feel safe collaborate well with others feel ownership for their learning and be joyfully engaged in their work Nevertheless many teachers end up using language patterns that undermine these goals Do any of these scenarios sound familiar We want students to take responsibility for their learning yet we use language that implies teacher ownership We want to build positive relationships with students yet we use sarcasm when we get frustrated We want students to think learning is fun yet we sometimes make comments that suggest the opposite We want students to exhibit good behavior because it s the right thing to do yet we rely on threats and bribes which implies students don t naturally want to be good What teachers say to students when they praise or discipline give directions or ask questions and introduce concepts or share stories affects student learning and behavior A slight change in intonation can also dramatically change how language feels for students In What We Say and How We Say It Matter Mike Anderson digs into the nuances of language in the classroom This book s many examples will help teachers examine their language habits and intentionally improve their classroom practice so their language matches and supports their goals **Smart Women: The Search for America's Historic All-Women Study Clubs** Ann Dodds Costello,2015-09-02 Hiding in plain sight throughout America are historic highly private women s self education groups These clubs are fascinating survivors from an era following the Civil War when women couldn t apply to most colleges and were told they shouldn t leave the home In their earliest days the study groups also contributed to the welfare of their towns often by helping to found their town s first library and served to get women out of the house and into the world Today s all women study clubs have no civic component but still fashion their meetings as their founding great grandmothers did with members taking turns giving original papers In Smart Women author Ann Dodds Costello discusses her four year quest to locate often visit and describe today s 100 year old all women study clubs all over America even though they do not publicize and have no central organization or knowledge of each other Included an invaluable first ever directory of most of the book s ninety plus clubs *Win-Win Influence: How to Enhance Your Personal and Business Relationships (with NLP)* Roger R. W. Ellerton,2012 You can get anything in the world that you want if you help somebody else get something they want Zig Zigler Whether you are a parent son daughter friend employee manager or salesperson you are constantly influencing others to accept you your ideas products or services Those who masterfully present themselves and their ideas in a win win manner get ahead Those who do not may reap short term gains and eventually fail in their objective Influence is critical in leadership negotiation teamwork sales resolving family issues and getting others to buy into your ideas Follow and practice the concepts tips and processes described in this book and improve your influence results with anyone in a manner that achieves a win win outcome The emphasis is on expanding your influence skills and results in everyday situations For example through this book you will learn how to Enhance your personal and business relationships Create the career you want Become a stronger negotiator Enjoy the family life you desire Create

healthy work environments Be who you choose to be Whether you realize it or not you are constantly influencing other people s thoughts You do this through your actions as well as your inactions One of the best if not the best communication models is neuro linguistic programming NLP which forms a fundamental part of this book How important is the ability to influence others No matter whether you are a businessperson teacher parent stay at home spouse employee or manager dealing with people is probably the most important activity you undertake throughout the course of your day A number of years ago research sponsored by the Carnegie Foundation for the Advancement of Teaching and later confirmed at the Carnegie Institute of Technology discovered that even in engineering about 15 percent of one s financial success is due to one s technical knowledge and about 85 percent is due to interpersonal skills If you are ready to be the difference that makes the difference in creating better results in your life grab a copy and let s get started Life: Without the Rose Tinted Glasses Tony L. Sellaway, 2017-05-18 When asked what he does Tony says I make people smile This little discourse is a multilayered view of topics that we all encounter in our life experiences The best education is one that brings out something that is already in you so Tony wants to show you where to look but not what to see One of the goals of this book is to help people smile more along the journey called life experience
