You Wanna Be on Top? Sarah Hartshorne, 2025-07-08 In this revealing memoir a fan favorite America's Next Top Model contestant pulls back the curtain on the iconic but deeply flawed reality competition show exposing the manipulation and chaos behind the scenes A delicious hilariously relatable behind the scenes memoir A page turning lark turns into an internal rather than external makeover Maria Bamford New York Times bestselling author of *Sure I'll Join Your Cult* Tyra Banks's America's Next Top Model was a cultural phenomenon with more than six million weekly viewers at its peak Over its fifteen year run the show captured the glitz of the early aughts as well as its most toxic attitudes from the glamorous but often questionable photo shoots to the cutting feedback from its highly respected if out of touch judges But as its fans have grown up and as the next generation discovers ANTM they've also begun to reckon with the enduring ways that the show has affected their body image and self esteem Sarah Hartshorne would have never guessed that her first foray into modeling would start with being blindfolded alongside three dozen other girls on a charter bus winding through Puerto Rico In *You Wanna Be On Top* Cycle 9's only plus size contestant takes us into the heart of the unforgiving auditions the labyrinthian cruise ship the girls weren't allowed to enjoy and of course the L A model house teeming with hidden cameras and elaborately constructed tensions As the season unfolds and the producers interview questions about her weight and her opinions of the other girls become increasingly pointed Hartshorne uncovers the destabilizing methods employed to film reality Drawing on her experience as well as interviews with other contestants and production crew Hartshorne answers the questions you always wanted to ask Why didn't the house have a microwave or a dishwasher Why did girls regularly faint during eliminations Which judge was the meanest off camera Why is it that the girls had their most meaningful conversations in closets Answer It was the one place camera crews couldn't fit With tender honesty and sharp wit Hartshorne dissects the iconic show with an unflinching gaze that refuses to smize [The Makeup of RuPaul's Drag Race](#) Jim Daems, 2014-10-02 Start your engines for the fun controversy and life lessons of RuPaul's Drag Race and its spinoff RuPaul's DragU This international collection of original essays critically examines the show's representation of drag within the contexts of the reality TV genre and LGBTQ issues Contributors focus on the structure of the two programs the subversive nature of drag itself the treatment of trans contestants the issues of race the language and the show's handling of LGBTQ political issues A comprehensive discussion is provided of the show's premise the host and the contestants through six seasons of Drag Race and the three seasons of DragU **Championing Women Leaders** Shaheena Janjuha-Jivraj, Kitty Chisholm, 2016-02-03 Championship is the key differentiator between women who achieve leadership roles and those who don't This book examines the reasons why championing works and why it is so important for female executive development in particular and provides a user friendly guide to develop workplace champions for female leaders in any organization [Southern Beauty](#) Elizabeth Bronwyn Boyd, 2022-08-15 Southern Beauty explains a curiosity why a feminine ideal rooted in the nineteenth

century continues to enjoy currency well into the twenty first Elizabeth Bronwyn Boyd examines how the continuation of certain gender rituals in the American South has served to perpetuate racism sexism and classism In a trio of popular gender rituals sorority rush beauty pageants and the Confederate Pageant of the Natchez Mississippi Pilgrimage young white southern women have readily ditched contemporary modes of dress and comportment for performances of purity gentility and deference Clearly the ability to do white southern womanhood convincingly and on cue has remained a valued performance But why Based on ethnographic research and more than sixty taped interviews Southern Beauty goes behind the scenes of the three rituals to explore the motivations and rewards associated with participation The picture that Boyd paints is not pretty it is one of southern beauties securing status and sustaining segregation by making nostalgic gestures to the southern past Boyd also maintains that the audiences for these rituals and pageants have been complicit unwilling to acknowledge the beauties racial work or their investment in it With its focus on performance Southern Beauty moves beyond representations to show how femininity in motion stylized and predictable but ephemeral has succeeded as an enduring emblem where other symbols faltered by failing to draw scrutiny Continuing to make the moves of region and race even as many Confederate symbols have been retired the southern beauty has persisted maintaining power and privilege through consistent performance Exploring the Dimensions of Human Sexuality Jerrold S.
