Discussed in three lectures Alexander THOMSON (Congregational Minster, Manchester.), 1857 **Anselm: Basic Writings** Anselm, 1997-09-15 Ranging from his early treatises the Monologion a work written to show his monks how to meditate on the divine essence and the Proslogion best known for its advancement of the so called ontological argument for the existence of God to his three philosophical dialogues on metaphysical topics such as the relationship between freedom and sin and late treatises on the Incarnation and salvation this collection of Anselm s essential writings will be a boon to students of the history of philosophy and theology as well as to anyone interested in examining what Anselm calls the reason of faith True Faith Rev. Silas Kanyabigega DMin, 2017-02-24 God required the price to remove his anger against the humankind who offended him He wanted to see in that price a death with bloodshed as evidence demonstrating a sacrifice for the forgiveness of the sinners For God all sinners had to die So when Jesus died the corpse of Jesus represented the corpse of all sinners God was satisfied when he saw the corpse of Jesus God put in his mind that he had killed all mankind The punishment was then given and the problem between him and the humankind was resolved Jesus Christs corpse has ability to be the price required by God His blood as a killed sacrifice is the evidence of the death required by God The blood of animals was not needed in the mankind s salvation process The blood required by God was to be a mankind s blood This blood had to come from the death of a perfect person perfect as God himself The problem was only to be solved by the blood of God himself because only God is perfect But God could only die by taking human form that is why the Second Person of the Trinity Jesus Christ descent to earth to die in the place of humankind through an agonizing death at the cross of Golgotha and therefore he paid the price required by God Then God died as self substitution for men He was God man In beliefs of different world religions we cant find any other god who died for people Only God in whom Christians believe in died for humankind and he had risen He is alive Only the Faith in God propitiated for sinners is True Faith and other beliefs are false faith **The Light of Faith and Reason** Gerhard Lohfink, 2026-01-15 Renowned Scripture scholar Gerhard Lohfink brings the origins and progress of enlightenment to the forefront of Christian faith The history of the European Enlightenment did not begin in the seventeenth century It started in Greece something no one doubts and it began with stories about Abraham and Israel s exodus from Egypt something many do not know or disregard In The Light of Faith and Reason renowned Scripture scholar Gerhard Lohfink shows the degree to

which the Old Testament already affords enlightenment and how that work of enlightenment was continued and deepened by Jesus and the church On the basis of this Jewish Christian history of enlightenment what is at issue is the rationality of faith something that is increasingly the subject of debate today The description here is not intended to deny the mystery of faith rather it is meant to illuminate its rationality
