exposition of the Apostles Creed introduces in a fully ecumenical way the basic beliefs that have animated and informed the historical faith of Christians. Renowned theologian Hans Schwarz not only corrects common misunderstandings of core credal convictions. He also guides Christians into the exciting quest for understanding the faith they profess. *What Christians Believe* deals with the Christian faith in relation to contemporary challenges such as secularism and science, the holocaust and nuclear war in a readable way without opaque theological jargon. It is an excellent teaching resource for adult discussion groups and for individuals who desire to grow in knowledge and faith. John Tietjen, Bishop of the Metropolitan Chicago Synod of the ELCA. Schwarz's well written book would be helpful for both congregational groups and individual readers. His answers are not simplistic nor does he convey the notion that all questions can be satisfactorily resolved. He does however draw the reader into the heart of the issues so that one can wrestle with them. I heartily recommend this book. Herbert

Chilstrom, Bishop of the Evangelical Lutheran Church in America. What Christians Believe: Understanding the Nicene Creed Robert Barron, 2025-03-03. Today more than a quarter of Americans claim no religious affiliation at all. Religious belief in general and Christianity in particular is increasingly regarded as mythical and unreasonable, the superstitious product of prescientific minds. But what do thoughtful Christians actually believe? In this short book, renowned preacher, teacher, and theologian Bishop Robert Barron invites skeptics, seekers, and lifelong Christians alike to consider this question through one of Christianity's most pivotal texts, the Nicene Creed, an ancient statement of faith that has guided Christian thought for 1700 years and is still accepted by Christians around the world today. With philosophical and theological acumen, Bishop Barron walks through the Creed line by line, explaining its teachings on the mystery of the Trinity, the saving mission of Jesus Christ, and both the life of the Church below and the life of the world to come. Drawing on Sacred Scripture, Church teaching, and the richness of the Catholic intellectual tradition, *What Christians Believe* unfolds the essentials of the Christian faith with conviction and clarity. *What Christians Believe* David Abolarin, 1997
