Sermons and sayings, ed. by W.M. Leftwich Samuel Porter Jones,1887 **Course Corrections to Faith and Identify the Real Gospel Authors** John Zavicar,2022-07-19 The author believed he was a saved Christian and never doubted he was going to heaven Recently during a traumatic surgery that nearly killed him God took him to hell to show him his true eternal destination After surgery and during recovery John started working with the Holy Spirit to understand why God sent him to visit hell He realized it was because he hadn't wholeheartedly accepted the story of Jesus Many of the Biblical Gospels never made sense to John and he couldn't fully commit to Jesus Read John's story to find out how God worked in his life to identify the real authors of the Gospels and how this solidified his faith Following this investigation John committed 100% to Jesus Apply the five step process he describes to firm up your faith and eliminate your doubts in Jesus just as he did Revelation 1 Thru 22 Grover L. Byrdsell,2013-09-13 When I began to read Revelation in preparation for writing this book I would see just how much God loves His people I had never seen this before in my reading of Revelation But now as I read I would let God open my heart for Him to give me His understanding of this amazing book of the Bible The love of God can so easily get lost in reading the book of Revelation But as you read Revelation you'll see the love of God the love of Jesus and what a great God we all serve So I ask that you read the Holy Bible along with my book to affirm that what you read in my book is in agreement with what it says in the Holy Bible It is my hope that as you read Revelation you will see the Lord God and Jesus Christ have revealed all we will ever need to know about the end times It is also my hope that you will get a better understanding of Revelation just as it is written by Saint John the divine the author of this wonderful book of God's Word God has more in store for all believers than we could ever think of for ourselves and it is all in the book of Revelation to read **Spurgeon's Sermons Volume 07: 1861** Charles Haddon Spurgeon,2017-05-06 Charles Spurgeon was one of the most evangelical and puritan of protestant ministers in the 19th century In the seventh volume of these series of sermons these charismatic and inspiring sermons are enough to encourage convict and inspire anyone who seeks a closer and more intimate relationship with God The Swindoll Study Bible NLT Tyndale,2018-09 Winner of the 2018 Christian Book Award for Bible of the Year The Swindoll Study Bible offers the best of Chuck Swindoll's wit charm pastoral insight and wise biblical study directly to you as you study God's Word Chuck's warm personal style comes across on every page and his

Gramps Talks About Spirits Frank

Tworek, 2017-06-12 The young lady had talked with her grandfather many times during her thirteen year life but now that she was becoming a woman the depth of conversation went deeper than ever before What began as an ordinary sunset walk around the lake evolved into an opportunity for the elderly teacher to share his beliefs about life love religion the spirit world and yes death One of the many challenges facing her as a young teenager was the constant desire to separate fact from fiction By the time the walk ended under the light of the stars and the moon the granddaughter had filled her mind with even more questions and ideas that would prompt deeper curiosity and decision making throughout the future years of her life

Heaven's Stage on 5th and Main MJ Gaylor, 2025-01-30 Our old library in town never held much attraction for me In fact my only solid memory involved my first fistfight which was thankfully uneventful and quickly broken up by the town librarian However I recently had a dream concerning that storied building in Cobleskill It was a stormy day and with little else to do I entered through the tall glass doors and began perusing the bookshelves As I ran my fingers down a roll of hardcovers I spotted a volume with my name as the title I began reading and to my surprise found that it contained the story of my life beginning at birth I quickly turned the pages to see if the author had included everything and to my chagrin discovered nothing had been left out I carefully concealed the book by my side and walked quietly toward the librarian who was seated at a large wooden desk There she lay in wait peering over her horned rim glasses which were eternally hooked to her neck with a gold chain With judgement and a bit of delight in her eyes she informed me that the book could not be checked out as it was not yet complete My heart raced and my breath quickened as I turned to the back of the book to find empty pages I placed the novel back on the shelf only to return a month later Pulling down the volume I discovered it had increased in wordcount Confused I turned to the opening page to see who cared enough to write my life's story in such detail and for all to read To my surprise the author was none other than God himself I awoke and after contemplating the gravity of life decided to write a book
