The Character Map H. E. Eickleberry, Jr.,2005-04 The Character Map An Introduction to the Introductions in Revelation is an examination of the opening statements that begin the final book of the Bible In it we will meet the hierarchy of persons that Revelation went through to get from God to us which is the first character map in Revelation We will also meet the players within the book of Revelation Who are the children of the earth and sea What does Revelation tell us about the people who started the world What does it tell us about the people who will end it More important what does it tell us about ourselves right here and now This is the second character map in Revelation Most important this book defines the very nature of God Himself which is the ultimate character map in Revelation It dictates the very form of Revelation Moreover it is the yardstick by which God measures us As such The Character Map An Introduction to the Introductions in Revelation is an invaluable tool for understanding our times our world and even ourselves which was God s original purpose for giving us the book of Revelation

Think Like a Mathematician Junaid Mubeen,2025-07-03 When we learn about abstract mathematical concepts from prime numbers and fractals to aspects of calculus the most common question is often when on earth will I need this To many of us so called pure mathematics is downright baffling Yet these concepts are what underpin the world we live in from internet security to the transmission of radio waves When you start to think like a mathematician the secrets of technology and modern life suddenly make sense Junaid Mubeen regards mathematics as a collection of thinking tools that can enrich the way we approach our everyday lives In Think Like a Mathematician he presents a catalogue of enlightening mathematical concepts Some will be familiar from school but the majority are ideas that readers will not have encountered before And anyone from mathematicians to self proclaimed mathophobes can learn from them All of these ideas are easy to grasp and a few may even reshape the way you see the world

All the Way Down Stewart Foster,2023-07-06 A life affirming story about friendship adventure and self belief from the award winning author of The Bubble Boy Perfect for fans of Louis Sachar s Holes and Elle McNicoll s A Kind of Spark When three eleven year old problem children are thrown together at summer camp they re challenged to build a place to live together for the next week But after a trip to a disused tin mine goes awry Milo and his new friends Oscar and Effie soon find themselves split off from the group and trapped underground Can they work through their individual issues and come together as a team to find their way to freedom

Not All Black Girls Know How to Eat Stephanie Covington Armstrong,2009-08 Stephanie Covington Armstrong does not fit the stereotype of a woman with an eating disorder She grew up poor and hungry in the inner city Foster care sexual abuse and overwhelming insecurity defined her early years But the biggest difference is her race Stephanie is black In this moving first person narrative Armstrong describes her struggle as a black woman with a disorder consistently portrayed as a white woman s problem Trying to escape her selfhatred and her food obsession by never slowing down Stephanie becomes trapped in a downward spiral Finally she can no longer deny that she will die if she doesn t get help overcome her shame and conquer her addiction to using food as a weapon against herself
