Rodney Hobson,2019-02-21 A Christian s growth is dependent on what they say they know regarding Christ and what they say they believe about Christ and the application of those beliefs in their circumstances The Bible is filled with examples of men and women who believed in God and Christ yet struggled to believe what they heard read and said they believed Abraham and Sarah Zechariah Jesus disciples Paul and others had issues of believing what they heard or what was written in scripture What does it mean when a person says I believe in God How does unbelief affect what a Christian believes Does what a person believes limit their ability to produce the truths of Christ and its results in their lives This book is written to explore the challenges of believing the Word of God and learning how to produce the results of those beliefs in their lives

What I Believe Robert L. Shepherd Jr.,2018-02-26 *What I Believe* is a book that gives us the basic belief requirements one must adhere to in order to be a Christian If asked today many in America will say we live in a new age of enlightenment and in a global world society A world and age whereby many souls are seeking their own paths to the eternal and abundant life and theres no longer a need for the Judeo Christian Bible as the moral road map to chart the way to heaven and glory There are many ways to God The New Agers of today proudly preach and proclaim But the Bible teaches that There is a way which seemeth right unto a man but the end thereof are the ways of death Proverbs 14 12 I believe that God has given me this book to remind Christians of what they believe and to keep them focus on the cross of Christ for without the shedding of blood there can be no remission of sin What We Believe R. C. Sproul,2015-10-27 What do Christians believe about God the Father Jesus Christ the church salvation eternal life and more This contemporary classic from theologian R C Sproul provides a matchless introduction to the basics of the Christian faith I Believe, Now Tell Me Why Everett

Leadingham,1994-06 Some of our best teachers and writers team up to explain why Christians believe what they do And in plain English mind you Leader s Guide Because I Think, I Believe Donald R. Wilson,2010 *Introspection and*

Consciousness Declan Smithies, Daniel Stoljar, 2012-07-11 The topic of introspection stands at the interface between questions in epistemology about the nature of self knowledge and questions in the philosophy of mind about the nature of consciousness What is the nature of introspection such that it provides us with a distinctive way of knowing about our own conscious mental states And what is the nature of consciousness such that we can know about our own conscious mental states by introspection How should we understand the relationship between consciousness and introspective self knowledge Should we explain consciousness in terms of introspective self knowledge or vice versa Until recently questions in epistemology and the philosophy of mind were pursued largely in isolation from one another This volume aims to integrate these two lines of research by bringing together fourteen new essays and one reprinted essay on the relationship between introspection self knowledge and consciousness

Why We Believe in God and Why We Need a Common Goal Lyle Smith,2018-03-09 Lyle Smith is a 93 year old lawyer who has read and seen much history and he notes a growing displeasure with Capitalism In the past when one civilization gave way to a new one it was usually followed by a new religion We need a common goal for our life on earth and we have not outgrown the need for religion but our concept of God needs to be more closely associated with what we learn from science and less tied to ancient stories Smith is not suggesting a new religion we have active religions now and he hopes they will learn to cooperate in offering guidance on how to live on earth while continuing differing faith practices and hope after death He also thinks Jesus message and example of how to love our neighbors and ourselves can enrich all religions

How to Believe Jon Spayde,2008-02-12 After seeing Christianity become increasingly defined in the media as a narrow and punitive political movement Spayde began to wonder Are religions now just combatants in the culture wars Should he leave the organized church How are ordinary people using faith positively to search for the truth and improve their lives Spayde takes a journey across America that introduces him to an array of believers eminent and obscure who relate their personal stories of active and living faith how they balance Jesus s love and judgment the church s dictates and their own free will to live and love completely while on Earth Here are veteran religious leaders such as John Shelby Spong a retired Episcopal bishop who advocates a radical reform of Christian teaching that would eliminate talk of miracles and stress social justice and Kosuke Koyana an important Protestant voice in Asia whose firsthand knowledge of World War II horrors made him see Christ s teachings as neither liberal nor conservative but simply care for the widow and the orphan Spayde meets those committed to unorthodox beliefs such as Joyce Rupp a Catholic sister dedicated to the concept of the feminine as divine as well as those who have for the sake of their faith drastically altered their lives including Cynthia Williams who left a high powered job in finance to work for a struggling inner city church in
