What Is Architecture And 100 Other Questions:

What is Architecture? Rasmus Waern, Gert Windgärth, 2015-09-01 This entertaining and informative book explores the world of architecture through a series of 101 questions and answers that cover a wide range of issues on its practice and theory There are historical questions such as Who was the first architect and Are all churches architecture as well as ones that relate to contemporary activity such as Have computers changed architecture and How small can a home get There are also many that are intriguing and irreverent such as Why do architects want to paint the world white and Is Dubai a city For each of the questions there is a brief one line answer and then a more extended discussion Aimed at both general readers as well as those in the field this book will make a perfect purchase or gift for anyone interested in architecture **Api**
