What Is God Saying Learning To Hear The Voice Of God

What Is God Saying Learning To Hear The Voice Of God:

What Is God Saying? Jason A. Porter, 2014-07-31 This book discusses the importance of hearing the voice of God Many Christians believe that the voice of God is silent and unavailable Hearing the voice of God is not as difficult as it might seem The voice of God is available to every believer We must equip ourselves to properly hear what he is saying through devoting the necessary time to become familiar with his voice This book will unfold the practices that we should embed into our daily lives to enhance our ability to hear from God God wants to speak to you It does not take a Prophet Apostle Evangelist etc to tell you what God is saying You are well capable of hearing God for yourself However God does use different ministry areas to bring confirmation and affirmation to the believer You must cultivate a relationship with God learn to recognize his voice and properly respond to what he says After reading this book I am certain you will know the importance of Relationship Recognition and Response when it comes to hearing the voice of God *What the Bible Really Says about How to Hear God* Peter Tullener, 2020-04-09 The Bible tells us that faith comes by hearing and hearing by the word of God and without faith it is impossible to please God We are also told that God speaks to us through His written word and spoken words So how can we have faith if we can't hear the word of God Hearing God's voice is not only reserved for those who are good or holy or special enough It is a privilege that is available to anyone that truly follows Jesus Christ It may not be easy but it is possible for the most simple person to learn to do regardless of your intelligence education background ancestry or past sins People often find the Bible difficult to read because it contains so much information about so many different and critically important subjects that it is sometimes difficult to focus on one specific subject as you read through all the books of the Bible This book extracts the scriptures that the Bible gives to help you hear the voice of God and gives simple practical advice so that you can avoid many mistakes that so many Christians have made so that you can more easily live the abundantly blessed life that Jesus died for you to have *What the Bible Really Says about How to Hear God* is a book that simply and plainly explains what the Bible actually says about the subject and incorporates over twenty five years of the author's life experience and mistakes that will help you to avoid making the same mistakes and to learn how to recognize hear and follow the voice of God in your everyday life **How can I Hear the Voice of God?** Mark Craythorn, 2012-03-09 Why a book on listening to the voice of God Surely it implies that there is a God out there that is talking to us And if he is talking to us why is He even interested in talking to us There is so much pain hurt and suffering in this world it can seem that God is often so distant Mark Craythorn left no stone unturned while patiently and diligently searching for an answer to the question Does God Exist He obtained the proof that he was looking for but it was what happened afterwards that surprised him Subsequent assent that Jesus Christ is the Son of God followed by a number of significant encounters with the Holy Spirit changed his life forever Mark is passionate about teaching others that God is very active in our lives and communicates to us more than we give him credit for This book contains answers to the question How can I hear the Voice of God It also contains a study guide Forty Days of

Hearing God for Yourself This is Mark's second book the first is titled God and Email **Learning to Hear the VOICE OF GOD** Karen Roti, 2017-08-13 God's voice is not thunder and lightning His Spirit the Holy Spirit dwells inside each believer and speaks in a still small voice The Holy Spirit is the voice of God This book will help you learn the guidelines for hearing and recognizing God's voice in your own life Also you will learn how to avoid being tricked by the enemy like Adam and Eve into believing a twisted lie There are guidelines for testing the spirits to know which voice is speaking to you It is also a process of getting to know the Holy Spirit and his voice You can test each message to know if it's the Holy Spirit or not It may take time testing and experience to hear and know His voice but this book is about all the extraordinary things that will happen as you begin to follow the leading of the Holy Spirit in all your decisions Experiencing the Spirit Robert Heidler, 2011-08 The Christian life is not a set of rituals or teachings but a relationship with God through His Holy Spirit No matter how much you know about the Bible no matter how strong your self discipline is no matter how hard you try to serve and please God if your relationship with the Holy Spirit is weak the Christian life will not work for you In this book Robert Heidler shows how God wants to unleash His power in your life to bring you into dynamic life giving relationship with the Spirit of God We were given the Holy Spirit to make the Christian life experiential to make Jesus real in our lives So stop struggling to survive from week to week and start living every minute in the power He has given you Length 240 Pages 4 Keys to Hearing God's Voice Mark Virkler, 2010-08-01 Based on the highly popular and successful book How to Hear God's Voice this exciting new book emphasizes the 4 Keys to Hearing God's Voice When I learned to hear God's voice after 11 years as a believer without it every part of me was radically transformed Thousands have told me they have had this same metamorphosis and I believe that this will become your testimony also writes co author Mark Virkler The keys that are examined discussed in detail and can be immediately applied to your life are How to recognize God's voice as spontaneous thoughts Learning how to become still before the Lord Looking for vision as you pray Realizing the importance of two way journaling Filled with insights from years of hearing from God 4 Keys to Hearing God's Voice also includes visual aids that enhance the teaching and learning experience Very reader friendly you will find that the concepts and principles are easily adapted to your personal circumstances and lifestyle Designed to bring even more depth to your relationship with God this book is part of an integrated package that includes a DVD and seminar guide for either individual or group study Either as a stand alone book or as part of a package you are sure to gain valuable encouragement and motivation to seek intimate communication with God your heavenly Father *Foundational Christian Truths* Pastor Karl Silva, 2023-03-24 Pastor Karl Silva's life was truly remarkable The truths he shares in this book are confirmed by his life Read them learn them and share them Pastor Thomas Schaller Senior Pastor Greater Grace World Outreach The Word of God was read studied and lived by Pastor Karl Silva as a man of God They live forever Pastor Steven Scibelli Director of Missions Greater Grace World Outreach Is an excellent resource for new believers It is made up of 15 lessons of key truths every Christian should know about and

The Pathway to God's Presence Tom Elliff,2014-03-04 The Pathway to God s Presence encourages those who feel they have lost the sense of God s presence in their lives and wish for restoration Examining the Old Testament account of Moses and the children of Israel the book highlights the distinction between God s provision and His presence How God Becomes Real T.M. Luhrmann,2022-04-26 The hard work required to make God real how it changes the people who do it and why it helps explain the enduring power of faith How do gods and spirits come to feel vividly real to people as if they were standing right next to them Humans tend to see supernatural agents everywhere as the cognitive science of religion has shown But it isn t easy to maintain a sense that there are invisible spirits who care about you In How God Becomes Real acclaimed anthropologist and scholar of religion T M Luhrmann argues that people must work incredibly hard to make gods real and that this effort by changing the people who do it and giving them the benefits they seek from invisible others helps to explain the enduring power of faith Drawing on ethnographic studies of evangelical Christians pagans magicians Zoroastrians Black Catholics Santeria initiates and newly orthodox Jews Luhrmann notes that none of these people behave as if gods and spirits are simply there Rather these worshippers make strenuous efforts to create a world in which invisible others matter and can become intensely present and real The faithful accomplish this through detailed stories absorption the cultivation of inner senses belief in a porous mind strong sensory experiences prayer and other practices Along the way Luhrmann shows why faith is harder than belief why prayer is a metacognitive activity like therapy why becoming religious is like getting engrossed in a book and much more A fascinating account of why religious practices are more powerful than religious beliefs How God Becomes Real suggests that faith is resilient not because it provides intuitions about gods and spirits but because it changes the faithful in profound ways **When the Soul Listens** Jan Johnson,2014-08-21 Do you long
