What Is Justification About Reformed Contributions To An Ecumenical Theme:

What Is Justification About? Michael Weinrich, John P. Burgess, 2009-03-23 This book offers a Reformed perspective on contemporary ecumenical discussion by carefully exploring the biblical message of justification and then demonstrating how justification as a doctrine functions as an integrative theological principle Written by an international group of distinguished Reformed scholars with the support of the World Alliance of Reformed Churches *What Is Justification About* also considers the relevance of justification for social ethics and contemporary cultural issues Contributors Martien Brinkman John P Burgess George Hunsinger Chris Mostert Fazakas Sndor Dirkie Smit Laura Smit Katherine Sonderegger Henk M Vroom John Webster Michael Weinrich *A Reformed Voice in the Ecumenical Discussion* Martien Brinkman, 2016-04-26 In *A Reformed Voice in the Ecumenical Discussion* Martien E Brinkman offers a critical account of the main international ecumenical developments of the last three decades He delivers a sketch of the Reformed contribution to the ecumenical dialogues dealing with issues like contextuality state church relations the ethical implications of baptism the church as sacrament of the kingdom and apostolic tradition He pleads for a stronger non Western input in the ecumenical discussions and emphasizes that in many contexts Indonesia India China the interreligious dialogue has become part of the inner Christian dialogue This study can be considered as a constructive contribution to the development of a hermeneutics of tradition and puts itself the critical question what is lost and found in translation ***Reformed Theology*** Martha L. Moore-Keish, 2020-06-22 This research guide introduces scholars to the field of Reformed theology focusing on works of the twentieth and twenty first centuries in the English language After a brief introductory section on the debates about what counts as Reformed theology Martha Moore Keish explores twenty one major theological themes with attention to classical as well as current works The author demonstrates that this stream of Protestantism is both internally diverse and ecumenically interwoven with other Christian families not just a single clearly defined group set apart from others In addition this guide shows that contemporary Reformed theology has been rethinking the doctrines of God humanity and their relationship in significant ways that challenge old stereotypes and offer fresh wisdom for our world today ***Essays on Being Reformed*** Dirkie Smit, 2009-12-01 What does it mean to be Reformed Christians in the world today and in Africa and South Africa What does it mean to commemorate the legacy of John Calvin 1509 1564 after 500 years in a modern world characterised by democracy by popular notions of human dignity and human rights by worldwide struggles for individual freedoms and for social justice by a global economy in crisis when social historians argue about the lasting contribution of Calvin and his followers precisely with respect to all these modern phenomena The 28 essays by Dirkie Smit selected for this volume deal with such questions *The Oxford Handbook of Reformed Theology* Michael Allen, Scott R. Swain, 2020-10-30 The Oxford Handbook of Reformed Theology looks back to past resources that have informed Reformed theology and surveys present conversations among those engaged in Reformed theology today First the volume offers accounts of the major historical contexts of reformed theology

the various relationships ancient and modern which it maintains and from which it derives Recent research has shown the intricate ties between the patristic and medieval heritage of the church and the work of the reformed movement in the sixteenth century The past century has also witnessed an explosion of reformed theology outside the Western world prompting a need for attention not only to these global voices but also to the unique and contingent history of reformed theology in the West hence reflecting on its relationship to intellectual developments like scholastic method or the critical approaches of modern biblical studies Second the volume assesses some of the classic representative texts of the reformed tradition observing also their reception history The reformed movement is not dominated by a single figure but it does contain a host of paradigmatic texts that demonstrate the range and vitality of reformed thought on politics piety biblical commentary dogmatic reflection and social engagement Third the volume turns to key doctrines and topics that continue to receive attention by reformed theologians today Contributors who are themselves making cutting edge contributions to constructive theology today reflect on the state of the question and offer their own proposals regarding a host of doctrinal topics and themes *The Doctrine on Which the Church Stands or Falls (Foreword by D. A. Carson)* Matthew

Barrett, 2019-03-14 Many factors contributed to the Protestant Reformation but one of the most significant was the debate over the doctrine of justification by faith alone In fact Martin Luther argued that justification is the doctrine on which the church stands or falls This comprehensive volume of 26 essays from a host of scholars explores the doctrine of justification from the lenses of history the Bible theology and pastoral practice revealing the enduring significance of this pillar of Protestant theology *A Companion to the Theology of John Webster* Michael Allen, R. David Nelson, 2021-06-10 An overview and analysis of John Webster's seminal contributions to Christian theology At the time of his death John Webster was widely hailed as one of the leading Christian theologians in the world Over the course of three decades he produced groundbreaking studies on the theologies of Eberhard Jüngel and Karl Barth and especially since the turn of the millennium numerous books and essays on various themes in Christian dogmatics He then intended to write an encyclopedic systematic theology a project he was unable to complete No substitute is possible for that lost opus but the contributors offer this volume as an homage to Webster and an aid to those who want to learn from him *A Companion to the Theology of John Webster* begins with an introductory section on Webster's theological development then continues into an extensive overview of Webster's contributions to contemporary discussions of particular doctrines An epilogue suggests how Webster's theology might have unfolded had he lived longer and imagines the continuing influence of his work on the enterprise of Christian dogmatics Readers hoping to understand the legacy of this great theologian and also those eager for fresh insights into the present state and future trajectories of contemporary Protestantism will find much to offer here **The Continuum**

Companion to Hume Alan Bailey, Dan O'Brien, 2012-03-08 With chapters written by internationally renowned experts in their field this is an authoritative reference guide to the work thought and influence of David Hume **God of Salvation**

Murray A. Rae, 2016-04-15 The theology of salvation stands at the heart of the Christian faith Very often the structure of Christian salvation is seen in terms of a single theme such as atonement for sins forgiveness liberation or friendship with God It is easy to reduce soteriology to a matter of merely personal experience or to see salvation as just a solution to a human problem This book explores a vital yet often neglected aspect of Christian confession the essential relationship between the nature of salvation and the character of the God who saves In what ways does God's saving outreach reflect God's character How might a Christian depiction of salvation best bear witness to these features What difference might it make to start with the identity of God as encountered in the gospel then view everything else in the light of that In addressing these questions this book offers fresh appraisals of a range of major themes in theology the nature of creaturely existence the relationship between divine purposes and material history the holiness love and judgement of God the atoning work of Jesus Christ election justification and the nature of faith salvation outside the church human and non human ends the nature of eschatological fellowship with God In looking at these issues in the light of God's identity the authors offer a stimulating and tightly argued reassessment of what a Christian theology of salvation ought to resemble and ask what the implications might be for Christian life and witness in the world today

The Culture of Theology John Webster, 2019-10-15 John Webster one of the world's leading systematic theologians published extensively on the nature and practice of Christian theology This work marked a turning point in Webster's theological development and is his most substantial statement on the task of theology It shows why theology matters and why its pursuit is a demanding but exhilarating venture Previously unavailable in book form this magisterial statement now edited and critically introduced for the first time presents Webster's legendary lectures to a wider readership It contains an extensive introductory essay by Ivor Davidson

[Locating Atonement](#)

Zondervan, 2015-11-10 A Close Look at Atonement's Place in Contemporary Systematic Theology In light of renewed interest in the doctrine of atonement during which a range of atonement models have gained momentum among different traditions it is important to map these models to the broader context of theological thought on this aspect of Christ's work and to show how no single approach has the complete picture The proceedings of the third annual Los Angeles Theology Conference seek to identify the place of the doctrine of atonement in systematic theology *Locating Atonement* stays away from discussion of theories of atonement typologies of those theories and contests among various theories Instead its focus is on the question What else is there to do in atonement theology besides rehashing types and theories The twelve diverse essays in this collection include discussions on Atonement and the concept of punishment Atonement and ascension Atonement and human suffering Atonement and covenant Each of the essays collected in this volume engage with Scripture as well as with others in the field theologians both past and present from different confessions in order to provide constructive resources for contemporary systematic theology and to forge a theology for the future

[God's Being in Reconciliation](#) Adam J. Johnson, 2012-03-01 A survey of unity and diversity in Christ's saving work read and interpreted through the lense of the

theology of Karl Barth Theological Theology R. David Nelson, Darren Sarisky, Justin Stratis, 2015-08-27 The areas of discussion include the nature and method of theology Scripture and its interpretation Christology and the doctrine of the Trinity moral theology and the reading and use of theological dialogue partners The essays are written by eminent systematic theologians theological ethicists and biblical scholars from a wide range of Christian traditions The contributors to this volume appraise extend and apply different aspects of the conception of theological theology That theology should in fact be thoroughly theological means that theological discourse gains little by conforming to the canons of inquiry that govern other disciplines it should rather focus its attention on its own unique subject God and all things in relation to God and should follow procedures that allow it to access and bear witness to these realities **Paul's Spirituality in Galatians** P. Adam McClendon, 2015-03-25 Spirituality is a hot topic in today's culture Spirituality is essentially how one's beliefs and experiences influence the way one lives their life Such influences for living are of critical importance to one's faith within the Christian community What role does the Bible play in developing an expressed spirituality among the Christian community How do one's religious traditions cultural influences and personal preferences influence the way Christian spirituality is perceived and expressed All too often and at times unintentionally the foundational truths of the Bible are subordinated to tradition culture and personal preference This book provides a context for understanding Paul's foundational components for Christian spirituality within the book of Galatians while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today

Justification and the Gospel R. Michael Allen, 2013-11-19 Seeking to move beyond current heated debates on justification this accessible introduction offers a fresh alternative approach to a central theological topic Michael Allen locates justification within the wider context of the gospel allowing for more thoughtful engagement with the Bible historical theology and the life of the church Allen considers some of the liveliest recent debates as well as some overlooked connections within the wider orbit of Christian theology He provides a historically informed ecumenically minded defense of orthodox theology analyzing what must be maintained and what should be reconfigured from the vantage point of systematic theology The book exemplifies the practice of theological interpretation of Scripture and demonstrates justification's relevance for ongoing issues of faith and practice *Pro Ecclesia Vol 18-N4* Pro Ecclesia, 2010-01-16 Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology It seeks to give contemporary expression to the one apostolic faith and its classic traditions working for and manifesting the church's unity by research theological construction and free exchange of opinion Members of its advisory council represent communities committed to the authority of Holy Scripture ecumenical dogmatic teaching and the structural continuity of the church and are themselves dedicated to maintaining and invigorating these commitments The journal publishes biblical liturgical historical and doctrinal articles that promote or illumine its purposes Ways to subscribe Call toll free 800 273 2223 Email journals.rowman.com For

Norwood, 2015-01-16 Few people realize that Karl Barth one of the twentieth century s greatest Protestant theologians was among a select group of non Catholic guests who were invited to the Second Vatican Council 1962 65 to assist in the reform and renewal of the Roman Catholic Church In *Reforming Rome* Donald Norwood offers the first book length study of Barth s involvement with Vatican II and his significant impact on the reform of the Catholic Church Norwood examines Barth s critical engagement with the Roman Catholic Church from his time at the Catholic University of Munster to his connection with Vatican II his conversations with Pope Paul VI and seminars and interviews he gave about the Council afterward On the basis of extensive research Norwood amplifies Barth s own very brief account of Vatican II Barth himself often felt that he was better understood by Roman Catholics such as Hans Kng Hans Urs von Balthasar and Joseph Ratzinger than he was by his own Reformed colleagues This study written by a fellow Reformed theologian helps us to see why **The Doctrine of the Covenant of Redemption According to John Gill (1697-1771)** Wang Yong Lee, 2025-02-11 What is the doctrine of the covenant of redemption Why does John Gill 1697 1771 an English Baptist pastor and theologian regard this doctrine as the kernel in his systematic theology This book explicates how core theological doctrines in the Bible e g the doctrine of God the

Trinity Christology and soteriology are integrated in the doctrine of the covenant of redemption from the biblical and theological perspective of John Gill From his long pastoral experience and over fifty years of rich writing Gill demonstrates that a careful investigation of the Bible and of God the Trinity makes him love the reality of the covenant of redemption in eternity which is ultimately revealed by the gospel of Jesus Christ Gill sees those who are in the gospel of Jesus Christ as the ones through whom the eternal reality of the covenant of redemption is manifested to the saved Gill also encourages those who are in Christ to see the eternal reality of the covenant of redemption revealed by the gospel of Jesus Christ **Jesus, Paul and the People of God** Nicholas Perrin, Richard B. Hays, 2011-01-28 At the 2010 Wheaton Theology Conference leading New Testament scholar N T Wright and nine other prominent biblical scholars and theologians gathered to consider Wright's prolific body of work Compiled from their presentations this volume includes Wright's two main addresses plus nine other essays of critical response
