Women Sex And The Church A Case For Catholic Teaching

R. Mary Hayden Lemmons

Women Sex And The Church A Case For Catholic Teaching:

Women, Sex and the Church Erika Bachiochi, 2010 The women who write in this volume challenge the common misconception that the Catholic Church's teachings are anti women and anti sex Rather these women believe that it is precisely the Church's controversial teachings on abortion sex marriage and contraception that bespeak the Church's love of women and reverence for sex Recent empirical evidence reveals just how harmful breaking from these teachings has been for women their children and our culture over the past few decades Indeed the women who write these chapters argue that contrary to popular belief following Church teachings on sex and marriage in spite of the sometimes arduous difficulty of doing so actually helps women to flourish physically emotionally relationally and socially from the Introduction

Reproductive Justice and the Catholic Church Emily Reimer-Barry, 2024-06-10 Pregnancy loss is profoundly complex ambiguous and alienating but telling women who have procured abortions that they are murderers and sinners is not the best way forward Magisterial teachings on abortion are too often presented as moral absolutes when in fact moral absolutism distorts the rich wisdom of the Catholic intellectual tradition This book initiates a new conversation about women's experiences of miscarriage stillbirth and abortion arguing that we need not approach these difficult life experiences in a simplistic way Dr Reimer Barry argues that both the pro life and pro choice movements make important and valuable claims yet each approach on its own is flawed Drawing on the framework of reproductive justice together with Catholic social teaching Dr Reimer Barry suggests a new way forward for abortion discourse that takes seriously the full human dignity of women and the intrinsic though not absolute value of prenatal life She argues that instead of thinking of the Church as a moral teacher with leaders in Rome or Washington DC dictating to the consciences of the faithful a better way to address the complexity of difficult pregnancy discernments would be to think of the Church as a community of support in the midst of and after difficult discernments a community that seeks justice together and implements structural reforms while also providing spiritual care to those in need What women deserve is justice

Woman as Prophet in the Home and the World R.

Mary Hayden Lemmons, 2016-09-15 This first ever interdisciplinary study of woman as prophet shows that in these troubling times ordinary women especially Christian women need to function as prophets by proclaiming in word and deed the indispensability of lovingly seeking the welfare of others More specifically social science shows that the person centered love prophesied by women prophets is able to meet interpersonal challenges within the home and world while philosophy and theology establish that women are able to excel as prophets due to the virtuous dispositions inculcated by femininity the choice to be caring a God centered spirituality and a pro life humanitarian personalist feminism that welcomes male collaborators Facilitating the ability of Christian women to prophesy love are Baptismal graces Thomistic virtues and a much needed prophetic Marian ecclesiology based on what John Paul II calls the prophetism of femininity These interdisciplinary findings provide an essential resource for educators and students of humanity the theology of women and evangelization

These findings emerge first from an investigation into the cognitive and ontological underpinnings of what John Paul II called the feminine genius. A second set of findings emerges from exploring the prophetic dimensions of the feminine genius. Secular feminism's need to adopt the insights of Christianity and the ability of femininity's prophetism to recast both femininity and feminism as Marian prophecies. A third set of findings arises from analyzing the spirituality of women prophets within the Christian tradition by considering the conditions necessary for prophesying, explicating requisite Thomistic virtues and delving into the spirituality of Hildegard, Catherine of Siena, Julian of Norwich, and Teresa of Avila. A fourth set of findings arises from innovative studies of polarization, secularization, lust, romantic love, the conditions whereby mothers with careers can flourish, and the ability of nuns to combat racism in a small Midwestern town. Overall, these interdisciplinary investigations explicate the theology of women and show that women who prophesy love either in the order of grace or nature can help heal lives, families, and culture.

The Oxford Handbook of Theology, Sexuality, and Gender Adrian Thatcher, 2015. The Oxford Handbook of Theology, Sexuality, and Gender presents an unrivalled overview of the theological study of sexuality and gender. These topics are not merely contentious and pervasive; they have escalated in importance within theology. Theologians increasingly agree that even the very doctrine of God cannot be contemplated without a prior grappling with each. Featuring 41 newly commissioned essays written by some of the foremost scholars in the discipline, this authoritative collection presents and develops the latest thinking in these areas. Divided into eight thematic sections, the Handbook explores methodological approaches, contributions from neighbouring disciplines, sexuality and gender in the Bible and in the Christian tradition, controversies within the churches and within four of the non-Christian faiths, and key concepts and issues. The final extended section considers theology in relation to married people and families, gay and lesbian people, bisexual people, intersex and transgender people, disabled people, and to friends. This volume is an essential reference for students and scholars, which will also stimulate further research.

Can You Be a Catholic and a Feminist? Julie Hanlon Rubio, 2024-03-15. Is it possible to reconcile Catholic and feminist identities? Julie Hanlon Rubio argues that it is, but only if we rethink how women and men who experience the pull of feminism and Catholicism can credibly claim both identities. **One Body: A Program of Marriage Preparation and Enrichment for the New Evangelization** John and Claire Grabowski, 2018-06-29. In recent years, the Church has called for a more intensive formation for couples preparing for the vocation of marriage, both before the wedding and in the months and years to follow. John and Claire Grabowski's *One Body: A Program of Marriage Preparation and Enrichment for the New Evangelization* is an answer to that call. Through the teaching of Scripture and the Tradition of the Church, *One Body* guides couples preparing for marriage and living out their vocation in such important topics as forming a new family, marriage as a covenant and a sacrament, sexuality and the gift of children, mutual submission in marriage, fostering intimacy in all of its forms, constructive conflict resolution, and investing in a marriage. Written with a seamless blend of real-world experience and faithful theology, including resources to strengthen and

sustain vibrant Christian marriages this easy to follow program answers the Church's call to dive deeper into this vital sacrament

A Catechism for Family Life Sarah Bartel, John S. Grabowski, 2018-08-29 The purpose of *A Catechism for Family Life* Insights from Catholic Teaching on Love Marriage Sex and Parenting is to present the teachings of the Catholic Church as they relate to specific questions in marriage and family life Many Catholics are under catechized and have trouble both understanding and articulating Church teaching on sexuality and marriage to an increasingly challenging culture Pope Francis along with the fathers of the two recent Synods on the Family have called for better formation for those who work in the area of marriage and family life see *Amoris Laetitia* 202 To address this need we gathered pertinent questions facing men women and pastoral workers in marriage and family life We then found passages relevant to these questions by researching Church documents on marriage and family from the past one hundred years These include papal encyclicals apostolic exhortations and addresses Vatican II documents and the Catechism of the Catholic Church Mainstream media coverage of Church events and Church teaching leads many to misunderstand Catholic positions on marriage and family life While the Catholic Church has developed a rich detailed and positive teaching on marriage family and sexuality many Catholics do not have access to this teaching buried as it is in lengthy Church documents which many find intimidating Finding the relevant teaching to address specific questions is not always a simple task either This book's main contribution is to present Church teaching relevant to marriage and family in one volume clearly organized by topic and question

Facing Infertility: A Catholic Approach Jean Dimech-Juchniewicz, 2012-10-30 More than 1 in 10 couples experience infertility finding themselves in a desert lost and abandoned hungering and thirsting praying and waiting for a child Discover the direction nourishment and faith provided within this spiritual resource for infertile Catholic couples their families and friends Personal reflections from Catholic women struggling with infertility evoke a heartfelt realism while passages from Scripture and prayers from the Book of Psalms provide the comfort and hope to trust in God the Divine Physician

A Culture of Engagement Cathleen Kaveny, 2016-03-01 Religious traditions in the United States are characterized by ongoing tension between assimilation to the broader culture as typified by mainline Protestant churches and defiant rejection of cultural incursions as witnessed by more sectarian movements such as Mormonism and Hassidism However legal theorist and Catholic theologian Cathleen Kaveny contends there is a third possibility a culture of engagement that accommodates and respects tradition It also recognizes the need to interact with culture to remain relevant and to offer critiques of social political legal and economic practices Kaveny suggests that rather than avoid the crisscross of the religious and secular spheres of life we should use this conflict as an opportunity to come together and to encounter challenge contribute to and correct one another Focusing on five broad areas of interest Law as a Teacher Religious Liberty and Its Limits Conversations about Culture Conversations about Belief and Cases and Controversies Kaveny demonstrates how thoughtful and purposeful engagement can contribute to rich constructive and difficult discussions between moral and cultural traditions This provocative collection of Kaveny's articles

from Commonweal magazine substantially revised and updated from their initial publication provides astonishing insight into a range of hot button issues like abortion assisted suicide government sponsored torture contraception the Ashley Treatment capital punishment and the role of religious faith in a pluralistic society At turns masterful and inspirational A Culture of Engagement is a welcome reminder of what can be gained when a diversity of experiences and beliefs is brought to bear on American public life

Why Humanae Vitae Is Still Right Janet Smith, 2018-07-11 Paul VI's genius proved prophetic he had the courage to stand against the majority to defend moral discipline to exercise a brake on the culture to oppose present and future neo Malthusianism Pope Francis Of all the paradoxical fallout from the Pill perhaps the least understood today is this the most unfashionable unwanted and ubiquitously deplored moral teaching on earth is also the most thoroughly vindicated by the accumulation of secular empirical post revolutionary fact The document in question is of course Humanae vitae Mary Eberstadt Author Adam and Eve after the Pill After half a century how has the teaching of Pope Paul VI on marriage and birth control presented in his encyclical Humanae vitae On Human Life held up Very well says philosopher Janet Smith and her colleagues in Why Humanae Vitae Is Still Right A sequel to Smith's classic Why Humanae Vitae Was Right this new volume shows how the ethical theological spiritual and sociological case for Paul VI's controversial document remains strong indeed how it's in some ways even stronger today following Pope John Paul II's Theology of the Body and in light of the problems caused by the sexual revolution In addition to essays by Dr Smith herself the book features contributions by other renowned experts and scholars such as Mary Eberstadt author of the best selling Adam and Eve after the Pill George Weigel Therese Scarpelli Corey Michael Waldstein Christopher West Obianuju Ekeocha author of the best selling Target Africa Maria Fedoryka Deborah Savage Derek Doroski Angela LaFranchi William Newton Joseph Atkinson Michele M Schumacher and Peter Colosi Why Humanae Vitae Is Still Right includes the Krakow Document composed under the supervision of Cardinal Karol Wojtyla later Pope John Paul II which provided research by moral theologians and other experts that helped to shape Humanae vitae to be a more personalistic document
