Silva,2013-08-29 What does it mean to grow up today Through in depth interviews this book examines how working class young men and women navigate the transition to adulthood in a climate of job insecurity family instability and deepening inequality Class Reunion Lois Weis,2005-01-15 Noted scholar Lois Weis first visited the town of Freeway in her 1990 book *Working Class Without Work* In that book we met the students and teachers of Freeway s high school to understand how these working class folks made sense of their lives Now fifteen years later Weis has gone back to Freeway for *Class Reunion* This time her focus is on the now grown up students who are for the most part still working class and now struggling to survive the challenges of the global economy *Class Reunion* is a rare and valuable longitudinal ethnographic study that provides powerful provocative insight into how the lives of these men and women have changed over the last two decades and what their prospects might be for the future *Archives of Labor* Lori Merish,2017-05-04 In *Archives of Labor* Lori Merish establishes working class women as significant actors within literary culture dramatically redrawing the map of nineteenth century US literary and cultural history Delving into previously unexplored archives of working class women s literature from autobiographies pamphlet novels and theatrical melodrama to seduction tales and labor periodicals Merish recovers working class women s vital presence as writers and readers in the antebellum era Her reading of texts by a diverse collection of factory workers seamstresses domestic workers and prostitutes boldly challenges the purportedly masculine character of class dissent during this era Whether addressing portrayals of white New England factory girls fictional accounts of African American domestic workers or the first person narratives of Mexican women working in the missions of Mexican California Merish unsettles the traditional association of whiteness with the working class to document forms of cross racial class identification and solidarity In so doing she restores the tradition of working women s class protest and dissent shows how race and gender are central to class identity and traces the ways working women understood themselves and were understood as workers and class subjects **The Managed Hand** Miliann Kang,2010-06-02 This book is a must read for women s studies and sociology classes on labor migration and gender as it provides its readers a rich and theoretically engaging discussion on feminine culture the intersections of race class gender and migrant women s labor Rhacel Salazar Parre as Brown University In *The Managed Hand* Miliann Kang makes a significant contribution to the existing literature on Asian American women gender relations service workers beauty and the body Based on fieldwork in nail salons Kang reveals the social and emotional negotiations between and amongst women in that setting We will never

look at fingernails and what they tell us about ourselves in the same way again Rebecca King O Riain author of *Pure Beauty Judging Race in Japanese American Beauty Pageants* I enjoyed reading Kang's work so much that I felt disappointed when I finished The book is a wonderful example of what sociology does best i.e skillfully examining a relatively small site of interest such that the analysis speaks not only to matters of individual experience and identity but also to those of broader social and cultural processes and structures Debra L Gimlin author of *Body Work Beauty and Self Image in American Culture* How did manicured nails become such ubiquitous symbols of feminine status In this innovative and compelling ethnography Kang unravels the many social consequences of the polished nail bringing together insights from care work ethnic enclave entrepreneurship and gender and migration scholarship to illuminate the growing sector of body labor All those who would dismiss manicured nails as socially irrelevant should read this book Pierrette Hondagneu Sotelo author of *Domestica Immigrant Workers Cleaning and Caring in the Shadows of Affluence* **The Best of the Best** Rubén A.

Gaztambide-Fernández, 2010-01-30 For two years Rubén Gaztambide Fernández shared the life of what he calls the Weston School an elite New England boarding school Vividly describing the pastoral landscape and graceful buildings the rich variety of classes and activities and the official and unofficial rules that define the school *The Best of the Best* reveals a small world of deeply ambitious intensely pressured students For Gaztambide Fernández Weston is daunting yet strikingly bucolic inspiring but frustratingly incurious and sometimes especially for young women a gilded cage for a gilded age
