Women In The Of Mormon Study Guide:

Women in the Book of Mormon Study Guide Heather Farrell, 2015-12-02 How many women do you think are in The Book of Mormon Would it surprise you to know that there are more than 50 women and groups of women mentioned in The Book of Mormon This study guide is designed to help you learn to see the women in The Book of Mormon and undertake a personal study of their lives It contains scripture references and journaling pages for all 53 women or groups of women included in The Book of Mormon In addition there are questions prompts and study aids for each woman s story that will help you go more in depth and make your study meaningful Be prepared to read The Book of Mormon with new eyes **Book of Mormon Study Guide, Pt. 1** Randal S. Chase, 2010-12-01 1 Nephi through Mosiah This volume is the first of three on the Book of Mormon It covers 1st Nephi through the Book of Mosiah This includes the journey of Lehi and his family across the Arabian Peninsula to Bountiful It follows them on to the promised land where the Nephites and Lamanites separated It contains the marvelous prophecies of Lehi Nephi and Jacob We then read remarks from the book s editor in the words of Mormon and follow the Nephites until their establishment in the land of Zarahemla under King Mosiah In all it covers 508 years of Nephite history up until about 92 BC when the book of Alma began The cover features a beautiful photograph of the Land Bountiful taken by Scot Facer Proctor *Women of Principle* Janet Bennion, 1998-10-08 This book offers an in depth study of the female experience in one Mormon polygynous community the Apostolic United Brethren Women in such rigid patriarchal religious groups are commonly portrayed as the oppressed powerless victims of male domination Janet Bennion shows however that the reality is far more complex Many women converts are attracted to this group and they are much more likely than male converts to remain there Often these women are seeking improved socio economic status for themselves and their children as well as an escape from their marginalized status in the mainstream Mormon church In the polygynous group women experience rapid assimilation autonomy and upward mobility Bennion supports her study with narratives from the lives of women now living in the group narratives that clearly reveal why many mainstream Mormon women are viewing polygyny as a viable alternative to the difficulties to single motherhood spinsterhood poverty and emotional deprivation **Reader's Guide to Women's Studies** Eleanor Amico, 1998-03-20 The Reader s Guide to Women s Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women s studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors **Book of Mormon Seminary Home-Study Guide** The Church of Jesus Christ of Latter-day Saints, 2013-10-22 The home study seminary program is designed to help you strengthen your understanding of the gospel of Jesus Christ and apply its teachings in your daily life through a study of the scriptures For your study this school year you will first complete reading assignments from the scripture text for this course

the Book of Mormon and then you will complete the individual lessons Once a week you will meet with a seminary teacher to submit your work and participate in a weekly lesson Seminary is a daily religious education program Prayerfully studying your scriptures should be a daily practice You will need to work on your seminary assignments each school day even though you will not attend a seminary class each day There are 32 units to be completed during the course The reading chart on page viii shows what you should study for each unit Your teacher will help you understand when each unit is due The lessons in this study guide should each take about 30 minutes to complete in addition to your daily scripture study You should have two scripture study journals or two notebooks separate from your personal journal in which you will write the assignments from the study guide activities Each week that you meet with your teacher you should turn in the scripture study journal containing the completed assignments from the study guide activities you completed for that week Your teacher will read and respond to the assignments and return that scripture study journal to you the following week You could also write your responses on paper in a loose leaf binder and turn in the pages you did that week Then when your teacher returns the pages you could put them back into the notebook
