Woo Awakening Teenagers Desire To Follow In The Way Of Jesus:

Woo Morgan Schmidt, 2014-03-01 What if teenagers wanted to follow Jesus not just avoid hell Desire makes us who we are What teenagers want whether they possess it long for it are terrified by it deny it pursue it or give up on it impacts their relationships dictates their actions forms their character and shapes their beliefs So if they actually want Jesus or the church or the kingdom then they re more likely to keep wanting their faith beyond youth group Woo connects teenagers good desires with the Good News It s an invitation to reimagine the church as a place where students desires are honored where they will encounter the One who desires and can participate with God in restoring the world Woo isn t another method or gimmick that will bring students flocking to youth group Instead it suggests a way of being one that begins with us This isn t sexy youth ministry but it s good

Youth Beyond the Developmental Lens Wesley W. Ellis, 2024 Wesley Ellis exposes the harmful impact of developmental psychology in youth ministry proposing a theological anthropology that frees us for deeper relationship with young people Propelled by the conviction that we must see youth as beings rather than becomings Ellis reorients us toward relational inclusion and away from rigid developmentalism

Delighted Kenda Creasy Dean, Wesley W. Ellis, Justin Forbes, Abigail Visco Rusert, 2020-04-28 What would youth ministry look like if it were based on a pursuit of authentic Christian joy Joy is not often a word young people associate with church but it should be By reimagining three common practices in youth ministry through the theological lens of joy veteran youth workers Kenda Creasy Dean Wesley Ellis Justin Forbes and Abigail Visco Rusert demonstrate how to shift this association and become more honest about what youth ministry can and can t do to support young people and their faith Grounding youth ministry in joy rather than in fear also models a way forward for the church It reminds us that youth ministry is not a tool for anxious congregations to use to ensure their survival Rather youth ministry like all ministry is a way to help people name and experience God s delight free from fear and anxiety about their futures Delighted is the first book to emerge from the Yale Center for Faith and Culture s Adolescent Faith and Flourishing project offering a sustained reflection on joy s practical importance for youth ministry With reflection questions offered at the end of each chapter Delighted is easy for youth ministers volunteers and pastors to pick up and use immediately tapping into young people s instinctive desire for joy for the entire church as well as for ministry with teenagers
