Word and Spirit Together David Pawson, 2014-04-15 The author has a passionate desire to see Charismatics and Evangelicals united He has made a searching study of their remaining differences which he believes can be resolved without compromise This book is essential reading for every Christian with a vision for a church united in faithfulness to the Word and openness to the work of the Holy Spirit

Evangelical and African Pentecostal Unity Hugh Osgood, 2024-04-18 As the millennium approached the number of independent African Pentecostal churches in Britain increased rapidly Having assimilated classical Pentecostalism and the charismatic movement and having begun to find ways of working with the Caribbean Pentecostal denominations it remained to be seen how UK evangelicalism would fare with African Pentecostals This book looks at the intricacies of the relationship at a time that provided ample opportunities to weigh the benefits and challenges of integration from every possible angle

Doctrine and Experience Christopher Charles Zito, 2016-06-30 Should evangelical spirituality be grounded in doctrine experience neither or both If in one which and why not the other If in both how might the two co exist without cancelling out each other s distinctives If in neither then what practical value does either have for the Christian life In this book the author has combined critical research pastoral awareness and thoughtful reflection to show how the radicalizations of doctrine and experience have not only polarized contemporary evangelicalism into two nearly irreconcilable camps but also has opened the door for a subtle but potent form of idolatry to creep into our midst In an attempt to purge these idols and bridge the gap this book contextualizes the biblical teachings and practices of our original spiritual instructors asking the double edged question of what it means for us today that the Word of God is normative and that the Spirit is Lord The author concludes that evangelicals should seek an incarnate cross centered spirituality that is informed by meticulous attention and obedience to sound doctrine but only as it is lived out in a deeply felt faith that is made perfect as we experience God daily in any number of ways

Word and Power Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland *Word and Power* places Wimber in his

theological context and asks whether Wimber's view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today *Damage Control* Dean Merrill, 2006-03-01 People don't like Christians. It's a sad fact but it's true. Instead of being seen as representatives of a loving God, Christians are often seen as narrow-minded, exclusionary, or pushy. In *Damage Control*, Dean Merrill examines what Christians can do to stop making Jesus look bad. Let's shine a light on what we're doing wrong and what we as field reps could do better, he says. In three parts, Merrill looks at God's shaky plan, why God left his reputation in the hands of fallible humans, the ways we hurt God's cause without realizing it, and the ways we can help God's cause. This insightful and energizing book will show Christians how to engage in spiritual disciplines, peaceful practices, and evangelism to represent Christ for who he really is **Together in One Mission** Arto Hamalainen, Grant McClung, 2012-09-27 *A. B. Simpson* Michael G. Yount, 2016-10-25 This volume looks at the Third Great Awakening, one of the most exciting times in the history of American Christianity. A. B. Simpson's impact on the Third Great Awakening and his influence on the modern church is examined. Emphasis is placed on the denomination he founded, the Christian and Missionary Alliance. Simpson's message, the Fourfold Gospel, is also explored. The Fourfold Gospel is Christ as the Christian's Savior, Sanctifier, Healer, and Coming King. The denomination Simpson founded took this message not only to North America but also throughout the world. Five movements made up the Third Great Awakening, and Simpson's contribution to each one is examined. These five movements include Evangelizing, Holiness, Movement, Healing, Movement, Pre-millennial, Movement, and Urban and Worldwide Outreach. As this book concludes with a look at Simpson's influence on the church today, we are reminded that as the church goes through the twenty-first century, the Fourfold Gospel continues to be proclaimed just as it was during the Third Great Awakening.

Grassroots Unity in the Charismatic Renewal Connie Ho Yan Au, 2011-02-23 This book explores the nature of grassroots unity in the British charismatic renewal in the 1970s and its significance to ecumenism. The study is based on the five international conferences of the Fountain Trust and focuses on two grassroots activities: worship in general and the celebration of the Eucharist in particular. Worship in this setting nurtured unity through charisms, but the Eucharist exposed the inadequacy of this grassroots unity because of doctrinal and ecclesiological differences. This book aims to suggest a way forward by searching for the complementarity of institution and charisms and Christology and Pneumatology in a charismatic context. It argues that the two emphases of the charismatic renewal, charisms and the Holy Spirit, complement the institutional commitments of the church and ecumenism. The concepts of *Christus praesens* and *Spiritus praesens* are considered intrinsic to the charisms and thus Christology and Pneumatology should both be considered significant for ecumenism. The study finally discusses the complementarity of ecumenical institutions and the charismatic renewal, the convergence of ecumenical streams, and continuity in modern ecumenical history *Why Didn't Evangelicals "See Him Coming"?* Paul A. Pomerville, 2023-08-31 *Why Didn't Evangelicals See Him Coming* is a hard-hitting, clear-eyed account of

how American society the political establishment and the rule of law reacted to a sociopath president After Donald Trump left office Americans didn't see him going either Trump came and went yet millions of Americans were clueless about what happened because of his gaslighting tornado An evangelical Christian author explains why Bible believing church going Jesus talking America loving evangelicals along with other Americans listened to were enamored by and elected an immoral sociopath An unlikely combination of viewpoints psychology law and biblical theology provide a surprising coherent picture of how Donald Trump deceived and inflicted devastation on democracy His uncanny influence is chronicled by media reporting during his four years in office and afterwards in a shadow presidency at Mar a Lago If Trump succeeded in anything it was deceit Psychologists rightly attribute this to his gaslighting biblical theology probes deeper to his corrupt human nature An FBI search warrant at Mar a Lago revealed the inevitable truth Donald Trump was a thief and traitor from the beginning the law finally caught up with a long overdue unaccountable serial criminal for crimes that America would not tolerate
