Words Never Spoken A Memoir By Craig Stewart Volume 1:

Words Never Spoken, a memoir by Craig Stewart Craig Stewart, 2012-05-29 Craig Stewart is one of America's most gifted writers. His work debuted on stage in Atlanta with *A Day in the Life* wowing sold-out audiences and critics alike. Stewart returns with his highly anticipated memoir *Words Never Spoken* slated for release May 2012. Said to be Stewart's most revealing and personal work yet, *Words Never Spoken* details his journey as a songwriter, entrepreneur, playwright, and self-discovery as a gay Black man living in Atlanta. Stewart writes candidly about his private conversations with media mogul Tyler Perry and why Perry dubbed Stewart's work brilliant but opted not to help him. Stewart also pulls us through the rise and fall of his musical relationship with Grammy award-winning recording artist Brandy Norwood. Stewart's story is as clean and crisp as the early works of the late E. Lynn Harris but destined for a lane of its own because of its nuanced richness. *Words Never Spoken* reads like a diary that was never intended for the eyes of anyone other than its author. Stewart opens up about his struggles with love, friendships, and a two-year bout with depression that led to an internet sex addiction.
