Working In Social Work The Real World Guide To Practice Settings:

Working in Social Work Jessica Rosenberg, 2009-09-25 This text provides graduate students going into the social work field with real world and practical information about what it is really like to work as a social worker Each chapter presents a true picture of what to expect as a front line social worker in the given practice setting *The Social Work Field Instructor's Survival Guide* Melissa A. Hensley, Melissa Anne Hensley, 2015-11-06 Despite the critical role that community based supervisors play in the training of social work students there has been no comprehensive resource for core information until now This is a sage practical guide for social work field instructors who want to provide expert guidance to their students in the field and in the classroom It helps field educators to impart the knowledge skills and values of the social work profession and to assist students in translating classroom knowledge into effective practice in realworld settings The book helps instructors to master the nuts and bolts of field education by delineating how to orient students to field work and supervision monitor cases evaluate student performance navigate professional ethics comply with CSWE practice competencies and fulfill all requirements of a social work practicum The authors who are seasoned social work practitioners and veteran field instructors distill years of hard earned wisdom regarding all components of the field education process They describe how to recruit practicum students and facilitate positive collaboration between school and field agency The chapters outline dos and don ts of supervision learning assessment planning and agendas evaluation plans and techniques how to integrate theory and practice and how to best assist students who are struggling Plentiful examples from social work programs and field agencies clearly illustrate the challenging process of providing field instruction to both graduate and undergraduate social work students **KEY FEATURES** Provides comprehensive practical guidance for all aspects of social work field education Includes helpful strategies regarding challenging aspects of field education Addresses student orientation evaluation professional ethics supervision dos and don ts integrating theory and practice and much more Guides field instructors in complying with CSWE practice competencies Helps field instructors clarify the expectations of a social work practicum and stay connected with their students schools **The Routledge Handbook of Field Work Education in Social Work** Rajendra

Baikady, Sajid S. M., Varoshini Nadesan, M. Rezaul Islam, 2022-04-28 This Handbook provides an authoritative account of international fieldwork education in social work It presents an overview of advances in research in social work field education through in depth analyses and global case studies **Key features** Discusses critical issues in teaching social work and curriculum development health care social work stimulated learning field education policies needs challenges and solutions in fieldwork education reflexivity training creativity and partnership resilience enhancement integrated and holistic education for social workers student experience practice education and ethical responsibility of social work field instructors Covers social work field education across geographical regions Asia and the Pacific North and South America Australia and Oceania Europe and major themes and trends from several countries U S A Canada Australia China Hong Kong Sweden
