

A romantic scene set in a misty, blue-toned forest. A muscular, shirtless man with dark hair and a beard is embracing a woman with long, wavy brown hair. The woman is wearing a light blue, low-cut dress and has her hand on the man's chest. To their right, a large, detailed wolf with grey, black, and brown fur stands looking towards the right. The overall mood is mysterious and intimate.

The Alpha's Breeder Tay T., 2020-01-29 Meet Eros Hall an Alpha who isn t arrogant domineering or egocentric and fall in love just as hard as our main character does After being kidnapped by a group of vengeful werewolves Emira finds herself in one hell of a situation First she is believed to be a powerful Breeder capable of birthing an army of werewolf warriors in a world where supernatural beings are going extinct Second her true soulmate is a powerful Alpha who is hell bent on keeping her And third to make matters worse she only has six moon cycles to be marked mated and pupped What does that even mean This steamy romance novel contains scenes of adult intimacy and dark situations that can be triggering Reviews I have to be honest I m only a few chapters in but I am enjoying this story immensely that I feel the need to share my thoughts now First of all this story is just a great product of the author thinking outside the box When I first read the title I expected it to be about a female werewolf who had to be mated to the alpha Now I m trying to figure out what kind of species the main character is Second of all I ve only read the first couple chapters and I m already hooked I m on the edge of my seat waiting

impatiently to see what's going to happen And the intensity of the kidnapping is very well detailed As for grammar spelling punctuation I see very minimal to no mistakes at all I definitely recommend people read this book Can't wait to read more Charlotte Moore This is one of the best books I've read before Reading this book will make you feel like you're on an emotional roller coaster It makes you wish you were actually in the book living with all those different people and wolf I found myself getting attached to all the characters The storyline is amazing and I love that this book is unique You will never find a book with a similar plot Again this is a good book Davina Nkasa This book is by far one of my favorites Savannah Burge An amazing story Captivated from the beginning Worth reading and falling in love with it Sakina Naeem What a brilliant story I was captured from the very beginning and was pleasantly surprised that it didn't turn out at all like I thought it would Tinkerbell Leonhardt Too awesome LOVE this story soooooo much and I can't get enough of it I would recommend this story to anyone who likes to read about werewolves soul mates and romance Love you Tay Tay for writing this awesome story Victoria Aye Interesting and addictive I just couldn't stop reading it Angel Agams It's hard to find werewolf stories with a well written plot There was a background to characters and each scene gave enough description to understand what's going on This is on my list of good werewolf books to read I hope you write a sequel Rachel Pittman In the beginning I was disgusted by the idea of a breeder and all that crap more specifically how who finds her first owns her But I quickly started to realize that the plot line could be amazing if written by the right author and that's exactly what happened here I'm usually not a fan of these kinds of werewolf stories where the mate doesn't have a say But in this story she does and she is in a loving and protected relationship If you like werewolf stories you will adore this book Alice This book is a MUST read It's sooo good It has a unique plot line that is not your everyday cliché werewolf novel The main character Emira is so funny and relatable And don't even get me started on Eros He's hot period It's different and I HIGHLY recommend it Kari *Bound In Darkness (A Vampire/Werewolf Romance)* Cynthia Eden, Hunter When it comes to killing vampires werewolf Cade Thain is the best slayer in the Northwest So when a witch hires him to take out a pureblood vamp the assassin thinks it will be just business as usual One less vicious vamp on the streets one more undead parasite gone from the earth Then he meets her Protector Allison Gray isn't the prey that Cade expects Beautiful innocent she stirs a dark desire within him Allison hasn't transformed fully into a vampire not yet and it's Cade's job to make sure that she never does Allison thinks that he's at her side to keep her safe but Cade is supposed to pick the right moment and kill her Lover Killing Allison is soon the last thing that Cade plans As she begins the transformation that will turn her into a vampire her bloodlust and their desire merge in an explosion of need that neither can control But Allison's enemies are closing in and the coming battle will take Cade and Allison beyond life beyond love and into a deadly darkness that waits to claim them both BOUND IN DARKNESS Warning This novella is a sexy paranormal romance As such it contains blood sex vampires and a hot alpha werewolf Violence and adult language Yes those are included too Word Count 21 000 BOUND IN DARKNESS is also available in the FOREVER BOUND anthology that

The Alpha's Mate (Paranormal Shifter Werewolf Romance) Michelle Fox, 2022-07-16 Little known fact about being a werewolf There are always wolves at your door and some of them are up to no good Chloe Weiss dreams have finally come true She s a null no more her wolf has finally come She s now a full member of her pack in the remote Appalachian weretown of Hunstville Even better she s mated to the pack s next alpha Jackson Swift However now that she s on the other side of her happy ending things aren t quite as rosy as she d expected The women of her pack resent her status as alpha s mate and suddenly there are rumors that Chloe is an Omega a werewolf so weak they are banned from

ever mating Worse an old friend of Jackson s blows into town full of disapproval and competition It seems no one likes Chloe except Jackson Then women start disappearing violently kidnapped from their homes and never heard from again There s a killer on the loose in the small town of Huntsville and the one wolf he d do anything to have is Chloe Now Chloe will have to fight for Jackson her place in the pack and her life This full length novel is a sequel to the bestselling To Bring Her Wolf What readers say I love how well the characters are developed and rounded out I feel like I know about these characters before they jump in the sack which for me is a HUGE deal Fox adeptly weaves several enchanting love scenes into her romance framework Best of all they actually add to the story This is the third shifter story I ve read from this author and I love the edge of humor the way she introduces the problems of the pack and the wolfish behavior that sneaks into the human interaction Editorial Review 4 5 stars from Night Owl Reviews I got caught up in the interesting original storyline drama action suspense I was not bored with Michelle Fox s vivid storytelling I could not put the book down Excerpt I think my wolf hates me I rolled over in bed and snuggled up against Jackson with a pout It had been two weeks since he brought my wolf and claimed me as his mate My life should be perfect I had everything I d ever wanted a place in the pack and my very own tall dark and handsome man to warm my bed but things weren t seamless I felt itchy in my new skin as if it wasn t the right size From the way some of the other wolves treated me it seemed they felt the same I hadn t fit in when everyone thought I was a null and now I didn t fit in as a wolf Jackson wrapped a strong arm around me and gave me a reassuring squeeze It just takes some time Clo Changing is awkward at first She looks at me like I m offending her I frowned She was doing it right now in fact Whenever I blinked her haughty expression flashed against the backs of my eyelids How does your wolf look at you He cocked his head and thought for a moment He just looks at me That s it I sighed and rolled away Jackson oozed sex like a pagan god and he looked the part too with his sculpted muscles dark molten chocolate eyes and black wavy hair However it sometimes seemed he didn t think over much about anything but sex Not that I was complaining He was a fantastic lover but I would ve appreciated a little introspection just then Maybe all the hot steamy sex we had was messing with the blood supply to his brain Punching my pillow I attempted to settle in for the night Sleep eluded me more often than not these days Everytime I closed my eyes there was my wolf her gleaming yellow gaze boring into my brain She seemed to be expecting or wanting something but I had no idea what I know a way to guarantee sweet dreams Jackson s hand spun little circles on my shoulder as his other hand inched the covers off me I shivered both from his touch and the cool air We d started our relationship in the fall when the sun was still strong enough to blunt the chill Now on the cusp of winter the air nipped at my skin Oh really I arched an eyebrow and resisted the urge to pull the covers back over me Jackson was warmer anyway Not to mention he provided orgasms Yep He straddled my hips and leaned down to nuzzle the nape of my neck Let me guess I put a finger to my lips and pretended to think very hard Is it sex His deep chuckle seemed to rumble through my body as well as his Yep Jackson gently kissed my neck working his way to the hollow of my throat Again I gave a soft gasp as his lips roamed

my sensitive flesh We went at it so often I wondered if we were really rabbits The sensual pull between us was magnetic We almost couldn't help ourselves And again he murmured in a baritone so deep it vibrated through my neck I can't get enough of you Chloe Not since the day I first saw you
