Wesley AND Whitefield ON Election

JOHN WESLEY
GEORGE WHITEFIELD

Wesley Whitefield Election John

Gene Fedele

Wesley Whitefield Election John:

Wesley and Whitefield on Election John Wesley, George Whitefield, 2015-11-26 The most common New Testament reference to election deals with God's eternal decrees of certain humans to salvation in Christ Jesus. This is seen most vividly in the writings of Paul in his letters to the churches at Ephesus and Rome. While no Christian can deny the Bible teaches the doctrine of election, many remain divided over the basis of divine election: the cause of God choosing certain individuals unto salvation over against others. Faithful Christians have remained divided over this issue, with some insisting God elects or chooses certain people on the basis of a foreseen faith in him, while others maintain God's election has nothing to do with foreknowledge of faith but rather resides in his own good pleasure for reasons known only to him. This small book on election presents John Wesley's sermon entitled *Free Grace* that he preached in 1740, in which he argued God's election is based on his own knowledge of those who would exercise faith in Jesus. Part 2 presents a response to Wesley's sermon by long-time friend and co-founder of Methodism, George Whitefield, who penned a letter in fierce opposition to Wesley's view that election is rooted in anything other than God's own sovereign and unknowable decrees. Read for yourself two views on divine election from two of Christianity's greatest leaders of the eighteenth century. *Whitefield's Letter to Wesley on Election* George Whitefield, 1999

George Whitefield Geordan Hammond, David Ceri Jones, 2016 George Whitefield 1714-70 was one of the best known and most widely travelled evangelical revivalists in the eighteenth century. For a time in the middle decades of the eighteenth century, Whitefield was the most famous person on both sides of the Atlantic. An Anglican clergyman, Whitefield soon transcended his denominational context as his itinerant ministry fuelled a Protestant renewal movement in Britain and the American colonies. He was one of the founders of Methodism, establishing a distinct brand of the movement with a Calvinist orientation but also the leading itinerant and international preacher of the evangelical movement in its early phase. Called the Apostle of the English empire, he preached throughout the whole of the British Isles and criss-crossed the Atlantic seven times, preaching in nearly every town along the eastern seaboard of America. His own fame and popularity were such that he has been dubbed Anglo-America's first religious celebrity and even one of the Founding Fathers of the American Revolution. This collection offers a major reassessment of Whitefield's life, context and legacy, bringing together a distinguished interdisciplinary team of scholars from both sides of the Atlantic. In chapters that cover historical, theological and literary themes, many addressed for the first time, the volume suggests that Whitefield was a highly complex figure who has been much misunderstood. Highly malleable, Whitefield's persona was shaped by many audiences during his lifetime and continues to be highly contested. *Andrew Fuller's Theology of Revival* Ryan Rindels, 2021-01-21 Revival is the arguable heartbeat of evangelical Christianity. Though a theologically diverse and globally diffused phenomenon, evangelicalism originated in a distinctly Calvinistic milieu. Many Puritans in the seventeenth century evangelicals, before the revivals, emphasized the work of the Holy Spirit, including the importance of personal conversion. Unlike theologically Arminian

proponents of revival such as Charles G Finney many Puritans and early evangelicals believed and taught that the absolute sovereignty of God was compatible with human responsibility Calvinistic Baptists in the early eighteenth century who rejected this tension declined numerically yet a new generation of pastors led their denomination through this impasse Andrew Fuller 1754 1815 defended Reformed doctrine in the Particular Baptist tradition while emphasizing the importance of human response in his preaching writing and fundraising for the Baptist Missionary Society The fruit of Fuller s ministry included growth of churches in England conversions among people groups in the Global South and the preservation of Reformed theology in a challenging Enlightenment context

The Doctrines of Grace in an Unexpected Place Mark R. Stevenson, 2017-03-10 Does God sovereignly elect some individuals for salvation while passing others by Do human beings possess free will to embrace or reject the gospel Did Christ die equally for all people or only for some These questions have long been debated in the history of the Christian church Answers typically fall into one of two main categories popularly known as Calvinism and Arminianism The focus of this book is to establish how one nineteenth century evangelical group the Brethren responded to these and other related questions The Brethren produced a number of colorful leaders whose influence was felt throughout the evangelical world Although many critics have assumed the movement s theology was Arminian this book argues that the Brethren with few exceptions advocated Calvinistic positions Yet there were some twists along the way The movement s radical biblicism passionate evangelism and strong aversion to systematic theology and creeds meant they refused to label themselves as Calvinists even though they affirmed Calvinism s soteriological principles the so called doctrines of grace

Wesley and Whitefield? Wesley versus Whitefield? Ian J. Maddock, 2018-02-28 John Wesley and George Whitefield were in many ways larger than life figures during their own lifetimes and continue to be so today Yet our ability to appreciate their abiding influence on contemporary Evangelical theology and practice is lacking if we consider them in isolation from one another Our understanding of Wesley and the legacy of his public ministry is impoverished apart from considering Whitefield and vice versa This collection of essays explores the complex dynamics at work in the Wesley Whitefield relationship spanning a variety of theological historical and pastoral facets of their full orbed public ministries They serve as an invitation to grow in our awareness of their undoubted affinities and significant differences all the while resisting the potential allure of either uncritically ecumenical Wesley and or uncharitably partisan Whitefield versus narratives

John Wesley's Pneumatology Joseph W. Cunningham, 2016-05-06 Perceptible inspiration a term used by John Wesley to describe the complicated relationship between Holy Spirit religious knowledge and the nature of spiritual being is not unlike the term Methodist which was also coined by critics of Methodism during the eighteenth century in Britain John Wesley s adversaries especially the pseudonymous John Smith with whom Wesley exchanged letters for a period of three years frequently challenged the plausibility of direct spiritual sensation which Wesley defended What does Wesley mean by perceptible inspiration What does the teaching reveal about the nature and existence of God in Wesley s thinking

What does it suggest about the spiritual nature of humankind In John Wesley s Pneumatology it is argued that perceptible inspiration more than a sidebar of Methodist thought offers a useful model for considering the various features of Wesley s views on the work of the Spirit in relation to human existence participatory religious knowledge and moral theology **John Wesley** Ralph Waller,2003 A biography and analysis of the life and work of John Wesley his family influences contemporary context friends and writings It should provide a grounding for those coming new to the subject Pursuing Social Holiness Kevin M. Watson,2015 Kevin M Watson offers the first in depth examination of the early Methodist band meeting a small group of five to seven people focusing on the confession of sin in order to grow in holiness **What Happens After I Die?** Michael Allen Rogers,2013-02-28 What does the Bible say about heaven and hell How do I distinguish biblical promises from sentimental myths How can I be ready Exploring the wonders of heaven while taking an honest look at the realities of hell pastor Michael Allen Rogers provides us with a clear and accessible summary of all things related to the afterlife This book is an invaluable resource for anyone seeking to answer the crucial question of what happens after I die The Great Awakening Mark C. Lee,2016-12-07 The Great Awakening Movement between 1720 and 1740s was one of most splendid chapters of early Christian history The movement stirred up a mass religious conversion in colonial America with a call to live a holy life The seeds of the Awakening were sown when Rev Jonathan Edwards 1703 1758 began to preach revivalistic sermons in Northampton Massachusetts George Whitefield 1714 1770 started his preaching tour of colonial America between 1739 and 1740 It was during his preaching tour that the Great Awakening erupted Edwards and Whitefield were the two major catalysts in the Awakening era It was during this period that churches of many different denominations had tremendous growth Every believers life is a living testimony of Gods grace of salvation George Whitefield said it so well in May 21 1740 Christ was God and man in one person that God and man might be happy together again *The History of the Religious Movement of the Eighteenth Century, Called Methodism. New Edition, Reprinted from the Twenty-second American Edition* Abel STEVENS,1864 *A Man Of One Book?* Donald A. Bullen,2007-12-01 John Wesley claimed to be a man of one book and early Wesley scholarship accepted uncritically that the Bible was his supreme authority In the late twentieth century American Wesley scholars discussed what has been termed the Wesley Quadrilateral the authority of the Bible tradition reason and experience and this to some extent helps explain the method by which Wesley read and interpreted the Bible However modern biblical reader response criticism has drawn attention to the central role of the reader in his her interpretation of scriptural texts Donald Bullen argues that Wesley came to the Bible as a reader with the presuppositions of an eighteenth century High Church Arminian Anglican in which tradition he had grown up He then found his beliefs confirmed in the scriptural text Claiming to base all his beliefs on the Bible he found himself in controversy with others who made similar claims but came to different conclusions The implications of this are explored in depth

Longman Handbook to Modern British History 1714 - 2001 Chris Cook,John Stevenson,2014-07-10 This compact

and accessible reference work provides all the essential facts and figures about major aspects of modern British history from the death of Queen Anne to the end of the 1990s The Longman Handbook of Modern British History has been extended to include a fully revised bibliography reflecting the wealth of newly published material in recent years the new statistics on social and economic history and an expanded glossary of terms The political chronologies have been revised to include the electoral defeat of John Major and the record of New Labour in office Designed for the student and general reader this highly successful handbook provides a wealth of varied data within the confines of a single volume John Wesley's Scriptural Christianity Thomas C. Oden,1994 This important work condenses the teachings of John Wesley 18 massive teachings and writings into one remarkably consistent highly accessible volume for the masses This first book in a series is based primarily on Wesley s sermons Later books will deal with his pastoral and ethical teachings Lightning Print On Demand Title

Predestination Peter J. Thuesen,2009-07-06 Winner of the Christianity Today 2010 Book Award for History Biography and praised in Christian Century as witty erudite masterful this groundbreaking history the first of its kind shows that far from being only about the age old riddle of divine sovereignty versus human free will the debate over predestination is inseparable from other central Christian beliefs and practices the efficacy of the sacraments the existence of purgatory and hell the extent of God s providential involvement in human affairs and has fueled theological conflicts across denominations for centuries Peter Thuesen reexamines not only familiar predestinarians such as the New England Puritans and many later Baptists and Presbyterians but also non Calvinists such as Catholics and Lutherans and shows how even contemporary megachurches preach a purpose driven outlook that owes much to the doctrine of predestination For anyone wanting a fuller understanding of religion in America Predestination offers both historical context on a doctrine that reaches back 1 600 years and a fresh perspective on today s denominational landscape Heroes of the Faith Gene Fedele,2003 Be inspired through the life sketches of these 70 godly men and woman John Wesley's Teachings, Volume 2 Thomas C. Oden,2012-08-07 The first presentation of John Wesley s doctrinal teachings in a systematic form that is also faithful to Wesley s own writings in ebook format Wesley was a prolific writer and commentator on Scripture yet it is commonly held that he was not systematic or internally consistent in his theology and doctrinal teachings On the contrary Thomas C Oden intends to demonstrate here that Wesley displayed a remarkable degree of consistency over sixty years of preaching and ministry The book helps readers to grasp Wesley s essential teachings in an accessible form so that the person desiring to go directly to Wesley s own writings which fill eighteen volumes will know exactly where to turn The Oxford Dictionary of the Christian Church Andrew Louth,2022-02-17 Uniquely authoritative and wide ranging in its scope The Oxford Dictionary of the Christian Church is the indispensable reference work on all aspects of the Christian Church It contains over 6 500 cross referenced A Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject from theology churches and denominations patristic scholarship and the bible to the church calendar and its organization popes archbishops other church leaders saints

and mystics In this new edition great efforts have been made to increase and strengthen coverage of non Anglican denominations for example non Western European Christianity as well as broadening the focus on Christianity and the history of churches in areas beyond Western Europe In particular there have been extensive additions with regards to the Christian Church in Asia Africa Latin America North America and Australasia Significant updates have also been included on topics such as liturgy Canon Law recent international developments non Anglican missionary activity and the increasingly important area of moral and pastoral theology among many others Since its first appearance in 1957 the ODCC has established itself as an essential resource for ordinands clergy and members of religious orders and an invaluable tool for academics teachers and students of church history and theology as well as for the general reader The Methodist quarterly ,1868

Adopting the Beat of Phrase: An Psychological Symphony within **Wesley Whitefield Election John**

In some sort of taken by screens and the ceaseless chatter of instantaneous communication, the melodic beauty and mental symphony produced by the prepared term frequently disappear in to the backdrop, eclipsed by the persistent noise and distractions that permeate our lives. But, situated within the pages of **Wesley Whitefield Election John** a charming fictional prize full of raw thoughts, lies an immersive symphony waiting to be embraced. Crafted by an outstanding musician of language, that interesting masterpiece conducts viewers on a psychological trip, well unraveling the hidden tunes and profound impact resonating within each cautiously constructed phrase. Within the depths of the moving examination, we will examine the book is key harmonies, analyze its enthralling publishing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
