God's New Kingdom And yes much much more Did you know there are blessings from God if you study the book of Revelation With this book you have the opportunity to learn the truth about what awaits us all at the end of the world What the Bible Really Says? Thomas A. Howe,2009-01-01 The study of the End Times has been a popular topic for many years and there are many different positions that are proposed on how to understand the unfolding of God's program The debate over the End Times has often been heated and has failed to showcase the best that Christian scholarship has to offer It sometimes seems like everyone wants to get in on the action and anyone who has an audience can and has put together his thoughts and made his opinions known through the printed page Anyone can publish his views regardless of the level of competency in the original languages his level of hermeneutic ability or his understanding of history or theology In his book The Apocalypse Code Hank Hanegraaff declares that his goal is to put hermeneutical tools into your hands so that you can draw from Scripture what God intends you to understand rather than uncritically accepting end time models that may well be foreign to the text It would be extremely helpful for someone to equip readers to be able to make their way through the maze of views What the Bible Really Says is a point by point analysis of the arguments of Hank Hanegraaff concerning end times prophecy This book is not an effort to promote one eschatological perspective over another Rather it is an analysis of Hanegraaff's arguments and claims in order to discover whether or not he has succeeded in putting hermeneutical tools into the hands of his readers or whether he has simply added his voice and his opinions to the cacophony of claims and counterclaims

people ask at some point in their lives It has also been used as an excuse for people not to believe in a loving God and not to follow His ways since the beginning of man s existence on the earth until today Many people have accepted Jesus Christ as their Lord and Savior only to turn away from Him because of some major tragedy or disaster that has happened to them or someone they know Some people have refused to believe in a loving God because they have had a disabled ill or stillborn child born to them or born to someone close to them Others because they have been unable to get what they really wanted out of life after trying their very best or even begging God for a particular thing for many years The biblical scriptures provide many answers to the reasons that these bad things happen to good and evil people The answers to some of these questions may surprise you but they will also bring you understanding and peace This book searches out and explains the many scriptures and hidden truths in the Christian Bible which all plainly and simply explain why bad things happen to good people

The End Is the Beginning Matthew Ian Fleming,2024-10-01 Dragons battles beasts and plagues it s no wonder Revelation is often called the scariest book in the Bible And most of us aren t sure what to make of it What do you think of when you think about the book of Revelation Prophecy apocalypse rapture While certain evangelicals are steeped in the rhetoric of Revelation albeit a very particular and peculiar interpretation the rest of us often have little interaction with Revelation beyond its fire and brimstone reputation Revelation rarely shows up in the pulpits of mainline Christian churches and many progressives feel as if Revelation is only for the end is near apocalyptics or Christian Nationalists and QAnon theorists But the book of Revelation offers so much more if we re willing to crack it open in new ways The End Is the Beginning cuts through the echo chamber of rapture haunted apocalyptic anxiety with a clear picture of God s persistent love for all that was and is and will be It will serve as a trusted companion providing tools to carry readers into all corners of Scripture Pastor and writer Matthew Ian Fleming is a sage Revelation guide combining his own stories with shared perspectives from an entourage of interpreters of various generations and diverse backgrounds pastors theologians and people of faith who dare to read Revelation in the face of world wrenching events from the fall of the Berlin Wall to the murder of George Floyd Reading the book of Revelation takes us to the height of heaven and the depths of despair it requires curiosity and courage It means standing in the face of a Christian mechanism fueled by fear to reclaim a message of promise and persistence With equal doses hope and humor Fleming suggests that if we can contend with Revelation it really can change everything

Banned Questions About the Bible Christian D Piatt,2011-03-31 From Christian Piatt When I was a

teenager my youth minister threw a bible at my head for asking questions Too often for various reasons people don't have the opportunity to ask the hard questions they have about faith religion salvation and the bible And when questions are left unanswered in communities of faith people either seek answers elsewhere or lose interest all together The purpose of the series is to collect the most compelling and challenging questions from various theological areas and pose them to a panel of experts who are challenged with responding in two hundred words or less in plain English This volume addresses challenging or controversial questions about scripture collected from people on Facebook MySpace Twitter and other social networking media Respondents include theology professors clergy lay leaders liberals conservatives and voices representing a spectrum of views The idea behind the books is not so much to provide definitive answers as it is to stimulate thought reflection and discussion By offering multiple perspectives readers have the opportunity to arrive at their own questions Better they come to understand that questioning faith is not taboo but rather that it can be at the foundation of a strong and growing faith The directive given to each respondent guided them to be concise and to speak in plain language but also not to rely exclusively on the Bible says its justifications or to wax abstract or overly intellectual Instead they write from personal experience as much as possible and provide real life contexts that will allow the average seeker or churchgoer to apply such ideas to their daily lives

No Apocalypse Al Burian, 2019-05-10 War seems to have frazzled the punks That's an unusual turn of events considering punk is the subculture that gave us the phrases let's have a war let's start a war war on 45 my war wargasm war all the time and so on Rock n roll is war said the band Frodus but you know it really isn't Rock n roll is just rock n roll assessed AC DC somewhat more accurately and while not necessarily noise pollution it is in the estimation of the Archers of Loaf too bad that the music doesn't matter Rock remains rock war remains war and despite everything being subjective and meaning something else entirely from what it appears to under the tenets of post modernity and end of historicism the fact remains that having a lot of dead people is a terrible terrible thing and having a lot of people voluntarily self inducing hearing loss is a less terrible thing Yes We are all in agreement here Al Burian is the author of the zine Burn Collector From 2000 to 2007 he was a columnist for various music magazines and DIY publications including Punk Planet HeartattaCk and the Skeleton NO APOCALYPSE presents the best of these writings collected in book form for the first time **Fuse of**

Armageddon Sigmund Brouwer, Hank Hanegraaff, 2008-01-17 Nothing more could go wrong for maverick hostage negotiator Mulvaney Quinn First stabbed in the hand during a failed terrorist burst then arrested for a hate crime he didn't commit Now Quinn must come face to face with his past in order to stop the worst terrorist threat of all time a plot to bring about the ultimate religious uprising by destroying one of the most sacred relics in history But the Fuse of Armageddon has already been lit With the clock ticking down toward a global catastrophe Quinn must team up with the most unlikely ally of all the woman who arrested him to bring down an even more unlikely coalition of enemies Facing an unholy trinity of a Jewish fanatic a Muslim terrorist and a Christian freedom fighter only Quinn can stop them from achieving their goal But will he be

Decoding the Mystery of When Will Jesus Return Raymond J. Moore, 2017-10-03 Is there a specific Bible prophecy that must first be fulfilled before the return of Jesus Christ Yes While it is true that no exact date can be set for this event the scriptures provide us with a clear context of specific world events that will create the time line for Jesus return Jesus said Of that day and hour no one knows Matt 24 36 If this was meant to be a mystery it was also meant to be revealed eventually Amos 3 7 says Surely the Lord God does nothing unless He reveals His secret to His servants the prophets This book brings to light the hidden mystery contained in the scriptures that the return of Jesus Christ should not be a surprise to those who believe Jesus also made it clear that there will be a final and specific generation who will witness the fulfillment of all remaining end of time prophecies This book brings clarity regarding the great tribulation Is it seven years or three and a half years What is the wrath of God and why and how does it play a role in the last days Beyond the general prophecies of wars famines earthquakes etc lies a great wealth of other specific and unique signs that will indicate the imminent return of Jesus Are you ready
