Stelter, 2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly

misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ The Gospel According to Christ answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians

The Vampire Path to God! My Desperate Plan to Contact God Spiro Hamilton,2021-07-27 Don't you get exasperated furious even about why God is so confusing Why are there so many different religions and spiritual systems all saying completely different things How are we supposed to discover the truth of God Doesn't it drive you crazy Doesn't it make you desperate to get to the bottom of it all There must be a way to find the right answer It surely wasn't supposed to be this difficult Something's getting in the way blocking our path to God It's as if there's some kind of forcefield standing between God and us Maybe we could call it the Devil Field or the field of fake news and false information It takes something drastic to break on through to the other side but how on earth did I end up using vampires to talk to God You definitely can't get any more drastic and desperate than that My idea for getting the dope on God was in fact inspired by an episode of Buffy the Vampire Slayer hence why this is about the vampire route to God My plan was simple To extract God from the Bible by scanning it into my computer and then get God to answer my questions What could possibly go wrong with that
