Where Is the Fear of God? Charles Von Hammerstein,2010-01-26 The loss of the fear of God has been the greatest devastation to our nation and to the body of Christ It is the sign of the end times the mark of falling away from the Lord O how we need to recapture the fear of God in this day so that we all might be found prepared for the Lord s return We are living in the very days before the Lord s return when the prophecies of scripture are being fulfilled all around us Yet few are being prepared for his return with the holiness that He will demand We must follow after holiness without which no man shall see the Lord Heb 12 14 Such holiness cannot be obtained without the fear of the Lord being brought back into the church and especially into its leadership This book shows how the fear of God has been forsaken and it exposes the heart of compromise that is the spirit of our age Ask yourself how are you being prepared by the preaching of the fear of the Lord so that your life meets Christ s holy eyes

draws readers into a broad yet unified exploration of faith education and devotion. Standout pieces challenge conventional readings providing new insights without losing the reverence and authority Luther's work commands. The anthology's contributors prominently featuring pieces by Martin Luther himself and George Mezger offer a rich tapestry of interpretations that underscore the historical and cultural contexts of Reformation theology. This collection serves as an invaluable resource for readers seeking a nuanced understanding of Lutheran doctrine and its theological heritage. It presents a multi-dimensional platform for engaging with the spiritual, educational, and interpretive traditions stemming from one of Christianity's pivotal epochs.

It Is the Same Light Daljit Singh Jawa, 2015-03-28

Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism, the world's fifth largest religion. But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets. It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being, along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times. The beauty of this 1430-page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss, it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith, color, caste, creed, or race.

The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib:

Mankind's religious future may be obscure, yet one thing can be foreseen: The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race. In this coming religious debate, the Sikh religion and its scriptures, the Sri Guru Granth Sahib, will have something of special value to say to the rest of the world.

Arnold Toynbee, Historian: I have studied the scripture of great religions, but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib. There is something strangely modern about these scriptures. They speak to the people of any religion or of none. They speak for the human heart and the searching mind.

Mrs. Pearl S. Buck, Nobel Laureate: In Volume five of the *It Is The Same Light* series, SGGS, pages 801-1000, author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language, Gurumukhi, history, or context. The following are some of the comments received on the volume, 7 pages 1201-1430 of SGGS:

Hailson, Catherine Clark Kroeger, William David Spencer, 2010-09-01 The Goddess Revival is a Christianity Today Book Award Winner 1996 All of the authors are clearly sympathetic to the problems women have faced in the church throughout its history They empathize with women who shun the patriarchal oppression of their churches to turn to goddess spirituality They are also solidly grounded in the Scriptures Christian theology and church history They recognize the bondage imposed by goddess worship This book presents a scholarly and clear consideration of the issues involved and builds a strong case for Christianity as the most woman friendly alternative While providing a comprehensive study of goddess spirituality and examining the roots of the movement the authors focus primarily on God and

the way people have understood God through the centuries in both paganism and the Judeo Christian tradition as both male and female They demonstrate how the uniqueness of God contrasts with the multiplicity of gods and goddesses in pagan spiritualities while comparing the values in both traditions that are similar that is a search for what is good inner empowerment unity positive social change In the process of building a clear Christian theology they gently counter the arguments of their pagan opponents In the end the reader is left with a glorious picture of the one true God and a clear apologetic for those in nursing who insist that the Christian God is too oppressive and patriarchal to merit our allegiance The appendixes provide a powerful case study of a young woman drawn into witchcraft She explains why it appealed to her then how it enslaved her and destroyed her marriage and other relationships The two final appendixes offer some excellent biblical studies on the issues raised in the book The total package provides an outstanding resource Journal of Christian Nursing *Keeping Faith* D. Stephen Long, 2012-03-01 Keeping Faith offers resources to help Christians reclaim the importance of doctrine and thereby know and love well God and God's creation Although it gives particular attention to the Wesleyan and Methodist tradition it is of necessity an ecumenical effort Neither the Wesleyans nor the Methodists invented Christian doctrine In fact the Wesleyan tradition contributes little that is distinctive or unique This is a good thing for unlike other disciplines where originality and uniqueness matter greatly Christian doctrine depends on others and not the genius of some individual Chesterton once said that Christianity is the democracy of the dead In other words doctrine depends on the communion of the saints They help us speak of God as we should We need to hear their voice For this reason this work is an ecumenical commentary on the Confession of Faith and Articles of Religion found in the Wesleyan tradition that also draws on ancient and modern witnesses to God's glory It is ecumenical because it brings these doctrines into conversation with the broader Christian tradition Doctrine unites us in a communion which is greater than any single denomination and makes us what we otherwise cannot be one holy catholic and apostolic
