

What Is Book Of Mormon About

Brigham Henry Roberts

What Is Book Of Mormon About:

The Book of Mormon Joseph Smith, 2009-05-05 With our American Philosophy and Religion series Applewood reissues many primary sources published throughout American history Through these books scholars interpreters students and non academics alike can see the thoughts and beliefs of Americans who came before us *The Book of Mormon* Joseph Smith, Jr., 2006-10-24 For the twelve million members of The Church of Jesus Christ of Latter day Saints worldwide six million in the United States The Book of Mormon is literally the word of God a companion volume to the Bible that contains the everlasting gospel Doubleday is proud to publish this official trade edition of The Book of Mormon by special arrangement with the Church According to Mormon belief The Book of Mormon was inscribed on golden plates by generations of prophets quoted and abridged by the prophet historian Mormon and buried in the ground by Mormon s son Moroni Fourteen centuries later in 1823 the angel Moroni led Joseph Smith to the plates hidden in a hillside in upstate New York Smith translated the ancient language into English through divine revelation The Book of Mormon narrates the historical religious political and military events that shaped and continue to inform the Church s teachings The publication of this edition offers the opportunity to explore one of the largest denominations in America today Back cover **Understanding the Book of Mormon** Ross

Anderson, 2009-08-30 Mormons or members of the Church of Jesus Christ of Latter day Saints form a growing population in both numbers and influence Yet few people have more than a passing knowledge of the document that defines and drives this important movement the Book of Mormon A former Mormon and an adult convert to Christianity author Ross Anderson provides a clear summary of the Book of Mormon including its history teachings and unique features Stories from the author and other ex Mormons illustrate the use of Mormon scripture in the Latter day Saint church Anderson gives special attention to how the Book of Mormon relates to Christian beliefs about God Jesus and the Bible With discussion questions to facilitate group use and a focus on providing an accurate portrayal of Mormons beliefs Understanding the Book of Mormon is an indispensable guide for anyone wishing to become more familiar with the Church of Jesus Christ of Latter day Saints and its most formative scripture **The Book of Mormon** Joseph Smith, 2017-01-05 The Book of Mormon is a sacred text of the

Latter Day Saint movement which adherents believe contains writings of ancient prophets who lived on the American continent from approximately 2200 BC to AD 421 It was first published in March 1830 by Joseph Smith as The Book of Mormon An Account Written by the Hand of Mormon upon Plates Taken from the Plates of Nephi According to Smith s account and the book s narrative the Book of Mormon was originally written in otherwise unknown characters referred to as reformed Egyptian engraved on golden plates Smith said that the last prophet to contribute to the book a man named Moroni buried it in a hill in present day New York then returned to earth in 1827 as an angel revealing the location of the book to Smith and instructing him to translate it into English for use in the restoration of Christ s true church in the latter days

The Story of the Book of Mormon George Reynolds, 2008-04-24 This 1888 classic by LDS General Authority Elder

George Reynolds is considered the first commentary on the Book of Mormon. It is also a retelling of its stories in a way accessible to everyone. The love he had for that book of scripture and the inspiration he received from it and expressed within the pages of this book continues to inspire modern readers. *Understanding the Book of Mormon* Grant Hardy, 2010-04-07

Mark Twain once derided the Book of Mormon as chloroform in print. Long and complicated, written in the language of the King James version of the Bible, it boggles the minds of many. Yet it is unquestionably one of the most influential books ever written. With over 140 million copies in print, it is a central text of one of the largest and fastest growing faiths in the world. And Grant Hardy shows it's far from the coma-inducing doorstep caricature by Twain. In *Understanding the Book of Mormon*, Hardy offers the first comprehensive analysis of the work's narrative structure in its 180-year history. Unlike virtually all other recent world scriptures, the Book of Mormon presents itself as an integrated narrative rather than a series of doctrinal expositions, moral injunctions, or devotional hymns. Hardy takes readers through its characters, events, and ideas as he explores the story and its messages. He identifies the book's literary techniques, such as characterization, embedded documents, allusions, and parallel narratives. Whether Joseph Smith is regarded as author or translator, it's noteworthy that he never speaks in his own voice; rather, he mediates nearly everything through the narrators Nephi, Mormon, and Moroni. Hardy shows how each has a distinctive voice, and all are woven into an integral whole. As with any scripture, the contending views of the Book of Mormon can seem irreconcilable. For believers, it is an actual historical document transmitted from ancient America. For nonbelievers, it is the work of a nineteenth-century farmer from upstate New York. Hardy transcends this intractable conflict by offering a literary approach, one appropriate to both history and fiction. Regardless of whether readers are interested in American history, literature, comparative religion, or even salvation, he writes, the book can best be read if we examine the text on its own terms.

Studies of the Book of Mormon Brigham Henry Roberts, 1985. Published for the first time fifty years after the author's death, *Studies of the Book of Mormon* presents a respected member of the LDS hierarchy's investigation into Mormonism's founding scripture. Reflecting his talent for combining history and theology, B. H. Roberts considered the parallels between the Book of Mormon and Ethan Smith's *View of the Hebrews*, which predated publication of the Latter-day Saint scripture by seven years. If the Book of Mormon reflects misconceptions current in Joseph Smith's day regarding Indian origins, are its theological claims suspect? Roberts wondered. *Book of Mormon Onomasticon & Theological Word Study* Robert F. Smith, 2024-12-31. Complete list of Book of Mormon words and names and their variants with likely etymologies offered, including theological words and concepts.

Joseph Smith and the Origins of The Book of Mormon, 2d ed. David Persuitte, 2010-07-27. Just as a growing interest in millennialism at the turn of this century has rejuvenated religious debate and questions concerning the fate of the world, so did Mormonism develop from millennial enthusiasm early in the nineteenth century. Joseph Smith, the founder of Mormonism and a provocative even controversial figure in history, declared that he had been given the authority to restore the true church in the latter days. The primary

source of Smith's latter day revelation is The Book of Mormon and to fully understand his role as the founder of the Mormon faith one must also understand The Book of Mormon and how it came to be. Unfortunately the literature about Joseph Smith and The Book of Mormon is permeated with contradiction and controversy. In the first edition of this impressive work David Persuitte provided a significant amount of revealing biographical information about Smith that resolved many of the controversies concerning his character. He also presented an extensive comparative analysis positing that the probable conceptual source for The Book of Mormon was a book entitled View of the Hebrews or the Tribes of Israel in America which was written by an early New England minister named Ethan Smith. Now in an expanded and revised second edition incorporating many new findings relating to the origin of The Book of Mormon Mr Persuitte's book continues to shed much new light on the path Joseph Smith took toward founding the Church of Jesus Christ of Latter day Saints.

A Documentary History of the Book of Mormon, 2019-01-02 The story of the creation of the Book of Mormon has been told many times and often ridiculed. A Documentary History of the Book of Mormon presents and examines the primary sources surrounding the origin of the foundational text of the Church of Jesus Christ of Latter day Saints, the most successful new religion of modern times. The scores of documents transcribed and annotated in this book include family histories, journal entries, letters, affidavits, reminiscences, interviews, newspaper articles, and book extracts, as well as revelations dictated in the name of God. From these texts emerges the captivating story of what happened and what was believed or rumored to have happened between September 1823 when the seventeen year old farm boy Joseph Smith announced that an angel of God had directed him to an ancient book inscribed on gold plates, and March 1830 when the Book of Mormon was first published. By compiling for the first time a substantial collection of both first and secondhand accounts relevant to the inception of the divine revelation or clever fraud that launched a new world religion, A Documentary History makes a significant contribution to the rapidly growing field of Mormon Studies.

[The Story of the Book of Mormon ...](#) George Reynolds, 1898

The Book of Mormon, 2011-04-11 An inside look at the foundational sacred text of one of the world's youngest and fastest growing religions. The Book of Mormon stands alongside the Bible as the keystone of The Church of Jesus Christ of Latter day Saints. LDS Church Mormonism Translated by the prophet Joseph Smith from ancient writings inscribed on golden plates, the Book of Mormon is an account of people living in the Western Hemisphere in a timeline that parallels that of the Bible. It covers a thousand years of loss, discovery, war, peace, and spiritual principles that focus on the teachings of Jesus Christ, outlining a plan for salvation and the responsibilities we must assume to attain it. The Book of Mormon Selections Annotated Explained explores this sacred epic that is cherished by more than twelve million members of the LDS church as the keystone of their faith. Probing the principal themes and historical foundation of this controversial and provocative narrative, Jana Riess focuses on key selections that offer insight into contemporary Mormon beliefs and scriptural emphases such as the atonement of Christ, the nature of human freedom, the purpose of baptism, and the need for repentance from sin. She clarifies the religious

political and historical events that take place in the ancient communities of the Book of Mormon and their underlying contemporary teachings that serve as the framework for spiritual practices that lie at the core of Mormon life Now you can experience this foundational sacred text even if you have no previous knowledge of Mormonism This SkyLight Illuminations edition presents the key teachings and essential concepts of the Mormon faith tradition with insightful yet unobtrusive commentary that helps to dispel many of the misconceptions that have surrounded the Book of Mormon since its publication in 1830
