Kent Hughes, 2015-10-14 Pastors are tasked with the incredibly demanding job of caring for the spiritual emotional and at times physical needs of their people While seminary is helpful preparation for many of the challenges pastors face there s far more to pastoral ministry than what can be covered in the classroom Designed as a reference guide for nearly every situation a pastor will face this comprehensive book by seasoned pastors Kent Hughes and Doug O Donnell is packed full of biblical wisdom and practical guidance related to the reality of pastoral ministry in the trenches From officiating weddings to conducting funerals to visiting the sick this book will equip pastors and church leaders with the knowledge they need to effectively minister to their flocks both within the walls of the church and beyond

Teaching Tenets of Faith in Worship James Akerson, 2019-04-02 Western culture no longer has a broad Christian understanding In fact much of what American media dishes out is pantheistic or anti religious Sociological research indicates that a multitude of beliefs have crept into Christian understandings of faith This situation is not new As early as the fifteenth century Erasmus asserted that the greatest concern of his time was that Christians were most often rank heathens when it came to their orthodoxy It is also apparent that attendance at Sunday school Vacation Bible School and other gatherings has fallen at a great rate The author believes providing Christian education in the context of worship is therefore the best opportunity for reaching believers with historical elements of faith A twenty four part lectionary based catechetical curriculum is provided for worship With it congregations can dwell in a sermon series that is surrounded by supportive full bodied worship

The Basis of Faith. A Critical Survey of the Grounds of Christian Theism. The Congregational Union Lecture for 1877 Eustace Rogers Conder, 1881

Storms and Faith Algene Yeatman, 2008-12 After Algene Yeatman started this book she realized her life had some serious times and serious issues Being the daughter of a preacher she saw her childhood and youth in a family with God and church as a full time influence the first thread during her life The second thread was a constant hearing of theology from many great preachers The third dominating thread was the gift of musical talent a music degree and working as church organist sometimes also as director for most of her life The fourth thread was working with her husband in the business of renovation renting and selling real estate Algene feels greatly blessed beyond anything she imagined She is surprised that she unlocked her heart so deeply to her experiences But God His word and His providence work together for good to all that trust in Him She hopes the book will encourage you to hold fast your faith in God and His Son our Redeemer
