An Emotional History of the United States Peter N. Stearns, Jan Lewis, 1998 Emotions lie at our very core as human beings How we process and grapple with our emotions how and what we emote and how we respond to the emotions of others constitute the essence of our social universe In a very real sense we exist only through the prism of our emotions And yet the profound effect of human emotion on history politics religion and culture remains underexamined While the influence of emotion in such realms as American foreign policy has been well documented other emotional aspects

of American history have escaped notice What role for instance does emotion have in the practice of African American religion How do shame and self hatred influence American conceptions of identity How does our emotional life change as we age To what degree is American consumerism driven by basic human emotion With this landmark anthology historians Peter N Stearns and Jan Lewis provide a road map of the American emotional landscape From the emotional world of working class Massachusetts to the prayers of evangelical and pentecostal women and the gendered nature of black rage these essays provide a multicultural snapshot of the unique nature and evolution of American emotions *New York Magazine*, 1990-01-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Canadian Liberal Monthly*, 1914 United States Civil Aircraft Register, 1975-07
