Lewis, 2017-09-26 God has been around for a long time in fact from the very beginning but what do we actually know about him Perhaps this is a silly question because many people will regard the God of Judaism Christianity and Islam as unknowable Nevertheless this book explores the Hebrew Scriptures Old Testament to unearth just what is revealed about the nature and persona of the Deity Early chapters discuss the first signs of religious beliefs and the origins of the major religions Ten chapters are devoted to what the Scriptures reveal about God's origin attributes and activities These include miracles making laws punishing rewarding answering prayers and predicting a future Messiah A final chapter summarizes and draws conclusions The sheer number of details gleaned from the biblical texts helps the reader to see God as an entity with a personality who has attributes likes and dislikes He rejoices but also laments he has a presence he is available he hears our prayers Those who were a little unsure about the authenticity of God should have their confidence in him strengthened by the amount of information presented They can then explore this further for themselves **Your God is Too Safe** Mark Buchanan, 2009-02-19 Here's a thoughtful probing exploration of why Christians get stuck in the place of complacency dryness and tedium and how to move on to new levels of spiritual passion Buchanan shows how the majority of Christians begin their spiritual journey with excitement and enthusiasm only to get bogged down in a borderland an in between space beyond the old life but short of the abundant adventurous existence promised by Jesus Citing Jonah he examines the problem of borderland living where doubt disappointment guilt and wonderlessness keep people in a quagmire of mediocrity then offers solutions effective ways to get unstuck and move into a bold unpredictable exhilarating walk with Christ Inspired writing [Let Go and Let God . . . and Then What?](#) Suzanne Mondoux, 2019-06-11 What an incredible book this is Within its pages the author somehow manages to combine self help inner healing be motivational and inspirational What's more this book is suitable for all ages genres and professions something I find unique Through the sharing of personal experiences with her reader and the incorporation of a fictitious story about a cat called Delilah her surroundings and life the reader is encouraged to open their eyes to their world look forward with a positive attitude and embark on a journey of self discovery From the moment we are aware we absorb the information around us via other people We learn to discover things about our world and environment listen to the expectations and limitations others

put on us Now through this enlightening book we each have the tools we need to unlock our dreams reach our full potential and then grow taking one day at a time to discover the real us We learn how to unburdening ourselves of the concepts and restraints of others and truly become who we want to be From a very early age the author knew she had a strong affinity with the spirit world and animals Her work has enabled her to recognise these gifts and her strength of character has led her to write her books In fact her first published novel *How I Became a Dragon* was inspired by her experiences whilst working in the Republic of Congo as Project Director for the Wildlife Conservation Society WCS in the Sangha Tri National landscape However as she points out if you are searching for God and enlightenment it is not hidden in these pages The purpose of this book is to through telling her story and talking about poignant moments in her life which have opened her eyes to her true self she hopes to inspire her readers to do the same To aid in this the book s chapters focus on life experiences and at the end of each there is the opportunity for the reader to express their thoughts and experiences on each topic on the activity pages These pages eventually combined to reveal their own unique journey However the author is keen to point out our journey does not end there because life is a continual adventure and the quest to discover new things about ourselves is constantly evolving each and every day In Conclusion This book contains the key to opening your own mind into the possibilities which await you Within the author gives her reader the tools they require to move forward positively with true self belief and the knowledge that they are 100% in control Susan Keef *My God Story* , **Student Study Bible: A Guide to Knowing and Living God's Word (NKJV)** Thomas Nelson,2025-10-28 Your guide to knowing and living God s Word The Bible is filled with life changing truth that has captivated people for generations But sometimes we need help discovering that truth for ourselves so that we can live it out Filled with powerful study tools the Student Study Bible is your go to guide to knowing and living God s Word Its insightful study notes will help you better understand the message of the Bible Its devotionals will invite you to immerse yourself in its storyline And its articles will help you see how the Bible connects to your life and how to live out its key teachings Features include More than 500 brief relevant and insightful study notes Over 300 notes helping readers see where the Old Testament points to Jesus and His fulfillment of Old Testament prophecies Devotionals walking you through the storyline of Scripture inviting you into deeper study Overviews of the core doctrines of the Christian faith Articles helping you see how the Bible connects and applies to your everyday life Articles showing you how to live out the key teachings of the Bible The complete text of Scripture in the New King James Version of the Bible Charts illustrations and maps Dictionary concordance and topical index Two column line matched typesetting Translator notes at the bottom of the page Clear and readable NKJV Comfort Print About the NKJV Trusted by millions of believers around the world the NKJV balances the literary beauty and familiarity of the King James tradition with an extraordinary commitment to the structure and meaning of the underlying biblical languages The result is a Bible translation ideal for serious study devotional use and reading aloud **The Human Experience of Time** Charles M.
