What Happens After Mugabe

Samuel Ravengai, Owen Seda

What Happens After Mugabe:

Do 'Zimbabweans' Exist? Sabelo J. Ndlovu-Gatsheni, 2009 This book examines the triumphs and tribulations of the Zimbabwean national project providing a radical and critical analysis of the fossilisation of Zimbabwean nationalism against the wider context of African nationalism in general The book departs radically from the common praise texts in seriously engaging with the darker aspects of nationalism including its failure to create the nation as people and to install democracy and a culture of human rights The author examines how the various people inhabiting the lands between the Limpopo and Zambezi Rivers entered history and how violence became a central aspect of the national project of organising Zimbabweans into a collectivity in pursuit of a political end **Personality Cult and Politics in Mugabe's Zimbabwe** Ezra

Chitando, 2020-06-08 This book approaches perceptions of Robert Gabriel Mugabe within Zimbabwe and beyond during his period in power and towards the end of his time in government The book examines how Mugabe became the focus of a thriving personality cult studying the argument that Mugabe could be regarded as the founder of a new religious movement in Zimbabwe and the Global South The contributors analyse the use of ideology and mythology in promoting Mugabe's hegemony in Zimbabwe looking at the appropriation of religious ideas by the Mugabe government and the impact this had on perceptions of Mugabe both within Zimbabwe and beyond Focusing on the final years of Mugabe's rule the chapters provide new insights into how different actors including politicians African Traditional Religions African Independent Initiated Churches Pentecostal churches the media and others deployed religious idioms to support or critique Mugabe at a time when his tenure was coming under serious threat This book will be of interest to students and scholars of Southern African politics and religion **What Happens After Mugabe?** Geoff Hill, 2005 After 25 years in power Robert Mugabe is under increasing

pressure to step down and allow democratic reform in Zimbabwe Amnesty International rates the country among the worst for torture and abuse of human rights the Commonwealth has suspended Zimbabwe's membership and even in Africa there is growing outrage at what some see as a rogue state In the past five years millions of words have been written about the tragedy including more than a dozen books but few have focused on what might happen when freedom comes As things stand schools and hospitals have collapsed a third of the population lives in exile and 3 000 people die of AIDS every week Once Africa's second biggest exporter of food 70 per cent of the country lives under conditions of famine in the wake of violent land reform What will it take to rebuild Zimbabwe This gripping incisive book discusses many relevant issues and asks serious questions including Will 4 million exiles go home to a country with 80 per cent unemployment Should there be war crimes trials Can the economy be revived Where will the billions of dollars come from that are needed to put things right **What Happens After Mugabe** is meticulously researched with material drawn from hundreds of interviews inside Zimbabwe and among exile communities in Britain the US and South Africa **Mugabe's War Machine** Paul Moorcraft, 2012-02-17 Mugabe's War Machine is the first full account of one man's military ambitions It contains shocking stories of massacre and

murder at home and powerful accounts of neighbouring wars and international intelligence intrigues This revealing book tracks the rise of Robert Mugabe and decodes his psychology in the context of Zimbabwe's military history His leadership of a guerrilla army against white rule explains how Mugabe continued to rule Zimbabwe as though he were still running an insurgency Mugabe used military power the armed forces militias police and the dreaded Central Intelligence Organization to enforce his will against a series of perceived enemies Along with inflicting massacres in Matabeleland in the early 1980s Mugabe's forces also fought a covert war against apartheid South Africa A large army was sent to intervene in the civil war in Mozambique After 1998 Zimbabwean troops engaged in the massive conflict in the Congo dubbed Africa's First World War Domestically Mugabe crushed all his alleged opponents from the Ndebele to white farmers and then the media judiciary civic groups churches unions and homosexuals The book recounts South African attempts to keep the current government of national unity alive despite the growing oppression It also considers how Zimbabwe can be saved from its own self destruction Professor Paul Moorcraft is a prolific author and war correspondent who has served in the Rhodesian Zimbabwean Police and worked closely with the British Armed Forces His book *The Rhodesian War Pen and Sword* 2008 has been a huge success

Mugabe's Legacy David B. Moore, 2022-06-15 Zimbabwe's party internal coup of 2017 and deposed president Robert Mugabe's death nearly two years later demand careful historically nuanced explanation How did Mugabe gain and retain power over party and state for four decades Did the suspected and nearly real coups the conspiracies behind them and their concurrent mythomaniacal conceits ultimately ironically spell his near tragic end Has Mugabe's particular mode of power reached a finality with his own downfall as his successors struggle more to balance Zimbabwe's political contradictions Will the phalanxes arrayed against Mugabe's control fray further as Zimbabwe fades Mugabe's Legacy delves deeply into such questions drawing on more than forty years of archival and interview based research on Zimbabwe's political history and current precariousness Starting with the mid 1970s it traces how Machiavellian moves allowed Mugabe to reach the apex of the Zimbabwe African National Union's already slippery slopes through the complexities of Cold War regional ideological generational inter and intra party tensions The lessons learned by the president and the nascent ruling party then turned gradually inward ultimately arriving at a near collapse that may now pervade all of the country's political space David B Moore vividly charts this rise and fall all the way to Zimbabwe's tenuous chaos today

[Robert Mugabe's Zimbabwe, 2nd Edition](#) Roberta Wiener, James R. Arnold, 2012-08-01 Robert Mugabe one of the world's most infamous dictators rose to power in Rhodesia the southern African region now known as independent Zimbabwe As a leader in Rhodesia's nationalist resistance movement of the 1970s Mugabe mobilized his compatriots in their struggle for control of the white ruled African nation which had declared independence from Great Britain in 1965 The bloody civil war finally ended with Zimbabwe's independence in 1980 As the president of the newly free nation Mugabe was a beacon for black African self rule raising hopes on the continent and around the world However through a series of ill conceived economic

programs and a disastrously mismanaged land redistribution scheme Mugabe and his corrupt government brought ruin to his homeland Creating a harsh climate of fear brutality and zero tolerance for opposition Mugabe's rule drained a once prosperous nation of its economic and human resources In Robert Mugabe's Zimbabwe learn more about the internal workings of one of the modern world's most devastating dictatorships *Contested Liberations, Transitions and the Crisis in Zimbabwe* Oliver Nyambi, 2024-04-02 How and when does culture enter the discourse on liberation transition and crisis in an African post colony such as Zimbabwe In a deeply polarised nation reeling from a difficult transition and an unrelenting economic crisis it is increasingly becoming difficult for the ZANU PF regime to prescribe and enforce its monolithic concept of liberation This book culls from contemporary counter cultures of liberation and transition the state of liberations in Zimbabwe It explores how culture has functioned as a complex site where rigid state authored liberations are legitimated and naturalised but also where they are negotiated contested and subverted **What Postcolonial Theory Doesn't Say** Anna Bernard, Ziad Elmarsafy, Stuart Murray, 2015-08-11 This book reclaims postcolonial theory addressing persistent limitations in the geographical disciplinary and methodological assumptions of its dominant formations It emerges however from an investment in the future of postcolonial studies and a commitment to its basic premise namely that literature and culture are fundamental to the response to structures of colonial and imperial domination To a certain extent postcolonial theory is a victim of its own success not least because of the institutionalization of the insights that it has enabled Now that these insights no longer seem new it is hard to know what the field should address beyond its general commitments Yet the renewal of popular anti imperial energies across the globe provides an important opportunity to reassert the political and theoretical value of the postcolonial as a comparative interdisciplinary and oppositional paradigm This collection makes a claim for what postcolonial theory can say through the work of scholars articulating what it still cannot or will not say It explores ideas that a more aesthetically sophisticated postcolonial theory might be able to address focusing on questions of visibility performance and literariness Contributors highlight some of the shortcomings of current postcolonial theory in relation to contemporary political developments such as Zimbabwean land reform postcommunism and the economic rise of Asia Finally they address the disciplinary geographical and methodological exclusions from postcolonial studies through a detailed focus on new disciplinary directions management studies international relations disaster studies overlooked locations and perspectives Palestine Weimar Germany the commons and the necessity of materialist analysis for understanding both the contemporary world and world literary systems NEXT DESTINATION Ositadimma Chukwuemeka Alozie, 2013-04-23 This book is about pastor Tita Prince who passed through the rigors of time under economic hardship caused by incessant militia attacks to reach to the echelon of self attainment but having violet his boss Mpyama's He shall inherit rules by sneaking out to have affairs with prostitutes of the other side of town they later came calling He later lost himself and followed the ladies and joined their religious denomination and he later traveled overseas where he had more

sexual encounters and was as well ordained a pastor After his ordination he sold his conscience for bags of CFA by engaging in sexual immorality and while at home his homosexual approach led to his banishment and he later returned and became a problem This book is the first of its kind that gave clear and convincing evidence of how people especially those who have established themselves deliberately out of greed self aggrandizements gluttony and egocentrism indulge in sexual immorality just to make more money It also portrays the impacts of such immoral behaviors on peaceful communities and the society in general This book also shows the many ramifications of the present day religious organizations and their impacts on individuals

Encyclopedia of Conflicts Since World War II James Ciment,2015-03-27 Thoroughly revised to include 25 conflicts not covered in the previous edition as well as expanded and updated information on previous coverage this illustrated reference presents descriptions and analyses of more than 170 significant post World War II conflicts around the globe Organized by region for ease of access Encyclopedia of Conflicts Since World War II Second Edition provides clear in depth explanations of events not covered in such detail in any other reference source Including more than 180 detailed maps and 150 photos the set highlights the conflicts that dominate today s headlines and the events that changed the course of late twentieth century history

Without Honour Robb W. J. Ellis,2006-11-01 Detailing my experiences in the Zimbabwe Republic Police in Matabeleland South in the early to mid 1980 s during which time Robert Mugabe unleashed his Korean trained Fifth Brigade on the Matabele people twenty to thirty thousand people lost their lives in that time Neither Mugabe nor his armed forces have been brought to book for the massacre

Transnational Histories of Southern Africa's Liberation Movements Jocelyn Alexander,JoAnn McGregor,Blessing-Miles Tendi,2020-05-21 Transnational Histories of Southern Africa s Liberation Movements offers new perspectives on southern Africa s wars of national liberation drawing on extensive oral historical and archival research Assuming neither the primacy of nationalist loyalties as they exist today nor any single path to liberation the book unpicks any notion of a straightforward imposition of Cold War ideologies or strategic interests on liberation wars This approach adds new dimensions to the rich literatures on the Global Cold War and on solidarity movements The contributors trace the ways that ideas and practices were made adopted and circulated through time and space through a focus on African soldiers politicians and diplomats The book also asks what motivated the men and women who crossed borders to join liberation movements how Cold War influences were acted upon interpreted and used and why certain moments venues and relations took on exaggerated importance The connections among liberation movements between them and their hosts and across an extraordinarily diverse set of external actors reveal surprising exchanges and lasting legacies that have too often been obscured by the assertion of monolithic national histories Tracing an extraordinarily diverse set of interactions and exchanges Transnational Histories of Southern Africa s Liberation Movements will be of great interest to scholars of Southern Africa Transnational History the Cold War and African Politics The chapters were originally published as a special issue of the Journal of Southern African Studies

Theatre from Rhodesia to

Zimbabwe Samuel Ravengai, Owen Seda, 2021-07-06 The voices that are represented in this collection come from various parts of the world and express the views of practitioners and scholars who have all had first hand experience working in Zimbabwean theatre from the last days of Rhodesia to Zimbabwe The collection views the long continuum of developments in local theatre history as a case of the intrusive hegemonies that came with colonial Rhodesia as a conquest society and localised identities in the form of the persistence of indigenous and syncretic popular forms With time all these came together to constitute the makings of a contested post colony in contemporary theatre practice in Zimbabwe The primary interest of scholars who are represented here is located at the intersection of political cultural and performative discourses and the flow of Zimbabwean history The focus moreover is not only on the history of performance cultures in postcolonial Zimbabwe it extends its critical gaze to include the history of political ideas that gave rise to cultural contestation in the field of theatre and performance

Race and Diplomacy in Zimbabwe Timothy Lewis Scarnecchia, 2023-03-09 Examining the role of racism within international relations bureaucracies during years of diplomacy before and after Zimbabwe's Independence in 1980 Timothy Scarnecchia offers a fresh perspective on how nationalist leaders used Cold War diplomacy to shape Zimbabwe's decolonization process Available as Open Access on Cambridge Core

Don't Listen To What I'm About To Say Peter Orner, Annie Holmes, 2011-06-09 I am Elizabeth I wish I could use my real name because the situation in Zimbabwe is real It would be better for those back home to know it was me The situation in Zimbabwe represents one of the worst humanitarian emergencies today This book asks the question How did a country with so much promise a stellar education system a growing middle class a sophisticated economic infrastructure a liberal constitution an independent judiciary and many of the trappings of western democracy go so wrong It asks the people who know this complicated story best the Zimbabwean people who have endured and hoped across the decades to tell their side of this story From refugees in South Africa and Canada to those trying to continue living inside Zimbabwe from farms to rural Murambinda and the city of Harare in their own words they recount their experiences of losing their homes land livelihoods and families as a direct result of political violence They describe being tortured in detention firebombed at work beaten up or raped to punish votes for the opposition This book includes Zimbabweans of every age class and political conviction from farm labourers to academics doctors to artists opposition leaders to ordinary Zimbabweans men and women simply trying to survive as a once thriving nation heads for collapse I am Elizabeth I wish I could use my real name because the situation in Zimbabwe is real It would be better for those back home to know it was me The situation in Zimbabwe represents one of the worst humanitarian emergencies today This book asks the question How did a country with so much promise a stellar education system a growing middle class a sophisticated economic infrastructure a liberal constitution an independent judiciary and many of the trappings of western democracy go so wrong It asks the people who know this complicated story best the Zimbabwean people who have endured and hoped across the decades to tell their side of this story From refugees in South Africa and

Canada to those trying to continue living inside Zimbabwe from farms to rural Murambinda and the city of Harare in their own words they recount their experiences of losing their homes land livelihoods and families as a direct result of political violence They describe being tortured in detention firebombed at work beaten up or raped to punish votes for the opposition This book includes Zimbabweans of every age class and political conviction from farm labourers to academics doctors to artists opposition leaders to ordinary Zimbabweans men and women simply trying to survive as a once thriving nation heads for collapse

Africa Bounces Back Victor Kgomoewana,2021-07-15 It has been nearly ten years since Africa is Open for Business was first published and Victor Kgomoewana showcased the continent as a place of opportunity and fertile ground for business But if recent headlines are anything to go by then the current outlook seems dim As a result of corruption the deepening infrastructure backlog including resistance to 4IR developments and the current global pandemic it seems the continent is fast running out of time However when asked if Africa is still open for business Kgomoewana confidently says It depends on your perspective Africa Bounces Back draws on case studies that look at the continent's response to COVID 19 and where it might leave us how the shift from globalisation to more nationalist politics could impact the region amidst growing global terror and the tipping point of the African Continental Free Trade Area implementations Kgomoewana also revisits previous case studies including Ethiopian Airlines China's ongoing involvement in Africa and the new normal innovations that have caused much needed disruptions in their sectors Africa Bounces Back is a reminder that even in the mist of crisis a resilient spirit decisive action and the correct perspective can lead to progress and ultimately success

The Future of Zimbabwe's Agrarian Sector Grasian Mkodzongi,2022-06-24 This volume reflects on the recent political developments in Zimbabwe and their current and future impact on the agrarian sector Utilising new empirical data gathered across Zimbabwe the contributors shed light on the liberalisation of agricultural policy after Mugabe Chapters examine how the adoption of neo liberal orthodoxy in agrarian policy making will affect the new agrarian structure looking at issues such as productivity the impact on vulnerable groups changing land tenure arrangements joint ventures and land grabbing Providing a new way of conceptualising Zimbabwe's agrarian futures this book will be of interest to researchers NGOs and policymakers interested in the politics of land and agriculture in Zimbabwe and southern Africa

Joshua Mqabuko Nkomo of Zimbabwe Sabelo J. Ndlovu-Gatsheni,2017-08-17 This book is a pioneering study of Joshua Mqabuko Nkomo a Zimbabwean nationalist whose crucial role in the country's anti colonial struggle has largely gone unrecognized These essays trace his early influence on Zimbabwean nationalism in the late 1950s and his leadership in the armed liberation movement and postcolonial national building processes as well as his denigration by the winners of the 1980 elections Mugabe's Zimbabwe African National Union Patriotic Front The Nkomo that emerges is complex and contested the embodiment of Zimbabwe's tortured trajectory from colony to independent postcolonial state This is an essential corrective to the standard history of twentieth century Zimbabwe and an invaluable resource for scholars of African nationalist liberation movements

and nation building *Ending Autocracy, Enabling Democracy* Robert I. Rotberg, 2004-05-13 In this comprehensive narrative of the political and economic evolution of Africa Robert I Rotberg explains the critical events players and policies in the continent's tumultuous shift toward democracy The book reviews the process of decolonization throughout the continent and subsequent debut of democracy and authoritarianism the transition of settler run Rhodesia into African Zimbabwe and the battle for Southern Africa Rotberg then traces the epic struggle to free South Africa from the yoke of apartheid including the contributions of leaders such as Nelson Mandela He concludes with a look at how current developments will affect Africa's continuing transition to democratic rule into the 21st century The book includes a collection of Rotberg's best opinion pieces and analytical articles from 40 years of reporting on Africa's democratic efforts **Zimbabwe's Trajectory V.** Masunungure, 2020-11-11 At Independence in 1980 Julius Nyerere called Zimbabwe the jewel of Africa and cautioned its new leaders not to tarnish it Tragically they paid no heed to Africa's esteemed elder statesmen Arguably and only if one ignores the carnage of Gukurahundi the first decade was a developmental one with resources being used prudently to benefit the formerly disadvantaged majority population However the 1990s witnessed a transition from a developmental to a predatory leadership which saw Zimbabwe cross the millennial line in crisis where it has remained ever since While many African countries have moved forward over the last three decades Zimbabwe has gone relentlessly backwards save for the four year interregnum of the tripartite coalition government 2009-2013 Virtually all development indicators point in the wrong direction and the crisis of poverty unemployment and the erosion of health education and other public goods continues unabated The imperatives of political survival and power politics supersede those of sound economics and public welfare Moreover unless good politics are conjoined with a sound people first policy the country will continue sliding downhill Zimbabwe's Trajectory tells the story of the country's post independence dynamics and its recent descent into becoming one of the three most unhappy countries in the world

The Top Books of the Year What Happens After Mugabe The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. What Happens After Mugabe : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. What Happens After Mugabe : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
