The Four Pages of the Sermon Paul Scott Wilson, 1999 Doing justice to the complexity of the preaching task and the questions that underlie it Wilson organizes both the preparation and the content of the sermon around its four pages Each page addresses a different theological and creative component of what happens in any sermon Page One presents the trouble or conflict that takes place in or that underscores the biblical text itself Page Two looks at similar conflict sin or brokenness in our own time Page Three returns to the Bible to identify where God is at work in or behind the text in other words to discover the good news Page Four points to God at work in our world particularly in relation to the situations described in Page Two

Basis of Preaching Biblical Message: Preach the Word Rev Dr Koningthung Ngoru Moyon, 2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God's will but is not necessary for knowing that God exists or for knowing something about God's character and moral law

Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book *Basis of Preaching Biblical Message Preach the Word* is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book

T. Biwul,2018-01-31 The African church needs preachers who preach the Scriptures to bring people to Christ and nurture them in the faith Yet many are failing at this task Some use their sermons to promote themselves rather than Christ while others do not know how to preach from the Scriptures In *Preaching the Scriptures* Dr Joel Biwul addresses these problems Using African stories and illustrations he clearly sets out the process of preparing and delivering a sermon that is rooted in the Scriptures He also provides sample sermons and outlines that will help preachers apply these principles in their own preaching preparation *Biblical Sermons* Haddon W. THE FUNDAMENTALS OF THE CHRISTIAN FAITH Edward D. Andrews,Reuben Archer Torrey,2022-01-23 Biblical criticism originally known as Higher criticism of the Bible got started throughout the 18th and 19th centuries At that time Protestant scholars attacked the Bible an intellectual academic attack They devised a method of studying the Bible that became known as higher criticism and now biblical criticism These Bible critics taught that most of the Bible contained legend and myth Some even claimed that Jesus never existed For the liberal moderate Bible scholar then and now the Word of God the Bible has become the word of man and a very chaotic distorted word at that The modern day liberal moderate Bible scholar says that much of the Bible is just wrong This thinking is the result of biblical criticism Biblical higher criticism is conjectural and uncertain doubtful in the extreme Today these Bible scholars who make up most of our seminaries explain the Bible accounts of miracles as myths legends or folk tales They do not even entertain the idea that there is the possibility that they actually occurred This viewpoint is subjective and gives no reliable reason to reject the Bible as inspired fully inerrant authentic and trustworthy Biblical criticism is highly defective and its centuries long assault on the Bible has not proven that the Bible is not the Word of God Many conservative Christians have been doing their best to defend God's Word Herein **THE FUNDAMENTALS OF THE CHRISTIAN FAITH** puts Biblical Criticism on trial judging their claims as subjective based on or influenced by personal feelings or opinions not objective factual actual real empirical verifiable in biblical studies *Basics of Teaching for Christians* Robert W.
