**Women in Republican China** Hua R. Lan,1999      **Women in Republican China** Hua R. Lan,Vanessa L. Fong,1999-06-18 The original essays in this sourcebook reflect a time of great political and social ferment in early twentieth century China a time when women especially were subject to the vicissitudes of war modernization and rapid social change The authors a distinguished group of leader activists of the May Fourth Movement women and men discuss and debate across a broad range of theoretical and practical issues revolving around the woman question They bring a compelling perspective to the lives of Chinese women in the context of the great events that shaped twentieth century China      **Women in Republican China: A Sourcebook** Hua R. Lan,Vanessa L. Fong,2015-08-12 Exploring one of the most dynamic and contested regions of the world this series includes works on political economic cultural and social changes in modern and contemporary Asia and the Pacific      The Transformation of Rural China Jonathan Unger,2016-09-16 During the past quarter century Jonathan Unger has interviewed farmers and rural officials from various parts of China in order to track the extraordinary changes that have swept the countryside from the Maoist era through the Deng era to the present day A leading specialist on rural China Professor Unger presents a vivid picture of life in rural areas during the Maoist revolution and then after the post Mao disbandment of the collectives This is a story of unexpected continuities amidst enormous change Unger describes how rural administrations retain Mao era characteristics despite the major shifts that have occurred in the economic and social hierarchies of villages as collectivization and class struggle gave way to the slogan to get rich is glorious A chapter explores the private entrepreneurship that has blossomed in the prosperous parts of the countryside Another focuses on the tensions and exploitation that have arisen as vast numbers of migrant laborers from poor districts have poured into richer ones Another based on five months of travel by jeep into impoverished villages in the interior describes the dilemmas of under development still faced by many tens of millions of farmers and the ways in which government policies have inadvertently hurt their livelihoods      **China's Developmental Miracle** Alvin Y. So,2016-07-08 In contrast to the failure to economic reforms in Eastern Europe China s economic reforms have been quite successful Decollectivization marketization state enterprise reforms and reintegration into the world economy have led to very rapid economic development in China over the past two decades These economic reforms in turn triggered profound social and political changes This collection examines the origins nature and impact as well as the future prospects of these reforms and changes The contributors are all active researchers from a variety of disciplines including economics sociology political science and geography      Asia's Environmental Movements in Comparative Perspective Alvin Y. So,Lily Xiao Hong Lee,2020-10-07 Exploring one of the most dynamic and contested regions of the world this series includes works on political economic cultural and social changes in modern and contemporary Asia and the Pacific      Arabian Seas R. J. Barendse, *Women and China's Revolutions* Gail Hershatter,2018-09-04 If we place women at the center of our account of China s

last two centuries how does this change our understanding of what happened This deeply knowledgeable book illuminates the places where the Big History of recognizable events intersects with the daily lives of ordinary people using gender as its analytic lens Leading scholar Gail Hershatter asks how these events affected women in particular and how women affected the course of these events For instance did women have a 1911 revolution A socialist revolution If so what did those revolutions look like Which women had them Hershatter uses two key themes to frame her analysis The first is the importance of women s visible and invisible labor The labor of women in domestic and public spaces shaped China s move from empire to republic to socialist nation to rising capitalist power The second is the symbolic work performed by gender itself What women should do and be was a constant topic of debate during China s transformation from empire to weak state to partially occupied territory to nascent socialist republic to reform era powerhouse What sorts of concerns did people express through the language of gender How did that language work and why was it so powerful Drawing on decades of Hershatter s groundbreaking scholarship and mastery of a range of literatures this beautifully written book will be essential reading for all students of China s modern history      *Asia's Environmental Movements* Alvin Y. So,Lily Xiao Hong Lee, Lee F. Yok-Shiu,2017-07-12 Adopting a comparative perspective this book traces the social political economic and cultural conditions under which environmental movements have emerged and assesses the transformative capacities of these movements      **What if China Doesn't Democratize?** Edward Friedman,Barrett L. McCormick,2015-06-11 Exploring one of the most dynamic and contested regions of the world this series includes works on political economic cultural and social changes in modern and contemporary Asia and the Pacific
