Word Water And Spirit A Reformed Perspective On Baptism:

Word, Water, and Spirit John V. Fesko, 2013-08-26 This book represents a substantial accomplishment one that provides a useful resource for those wanting to deepen their understanding of the sacraments particularly baptism Reflecting a massive amount of research against the background of an in depth survey of various views of baptism in church history Fesko provides an extensive exegetical and biblical theological study of the covenantal and eschatological significance of baptism followed by systematic theological reflections on key issues like baptism as a means of grace the efficacy of baptism the biblical warrant for infant baptism and against paedocommunion and the importance of baptism for the church One need not agree with his reflections at every point to benefit from his considerable labors Richard B Gaffin Jr Professor of Biblical and Systematic Theology Emeritus Westminster Theological Seminary *Baptism and Communion for the Church and Her Children* RICHARD A. OSTELLA, 2025-09-20 The pages of this book seek to do justice to a most important work of Christian parents namely the diligent use of baptism and Communion as gospel signs in the presentation of their children to Christ either for nurture or through nurture unto confession of faith in Him as risen Lord Romans 10 9 10 An important matter that is treated here is the status of children growing up in the church from infancy Are they little Christians No Are they little pagans No The answer to the status question proposed in these pages is that they are sinners set apart by God in a special way in Christian homes with the promise of forgiveness of their sins by repentance and faith **The Oxford Handbook of Sacramental Theology** Hans Boersma, Matthew Levering, 2015 This Handbook introduces the theology of the sacraments from a variety of perspectives It contains historical overviews biblical discussion philosophical and theological reflection as well as ecumenical discussion It is one of the most comprehensive overviews of the sacraments throughout the tradition of the Christian church *Journal of Biblical and Theological Studies, Issue 4.2* Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2019-12-09 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics **Reformation Theology** Matthew Barrett, 2017-03-16 Five hundred years ago the Reformers were defending doctrines such as justification by faith alone the
