Camp D.

Min., 2019-05-23 For centuries now the vast majority of the Christian population in the West has been locked into the mindset that believing in a Creator God is a matter of faith and emotions as opposed to clear and rational thought and that faith should be kept in the private realm *Under Investigation* aims at dispelling this oppressive way of thinking This is a workbook that will arm Christians with scientific truths written in plain language Its goal is to target the integrity of the New Testament using scholarly historical and literary scientific findings Knowledge is power and in the quest for absolute Truth this workbook will guide the student to an educated understanding of both who the God depicted in the Bible truly is and who He is not **The Gift of Reading - Part 2** J. Alexander Rutherford, 2019-09-30 If the Word of God is our anchor in the chaos of this world if it is our assurance that we can know the world and God its Creator we need confidence that we can understand this Word Reading and applying the Bible is essential to every facet of Christian life and ministry yet our ability

to do so is under attack from a myriad of directions In Postmodern philosophy the possibility of communication is dismissed let alone communication from God In Biblical studies the amount of knowledge required to come to firm conclusions concerning the meaning and application of the Bible grows every day However the Bible is not so pessimistic about its accessibility Instead it presents itself as a clear word sufficient to guide and encourage Christians in every area of life Having outlined in Part 1 a method for reading the Bible in order to understand it *The Gift of Reading* Part 2 addresses the issues of hermeneutics or the theory of reading After briefly surveying the major approaches to reading the Bible throughout the history of the Church *The Gift of Reading* Part 2 argues for an understanding of the role of the text read and author based on a Biblical epistemology and theology **The Message of Love: Understanding Sin and the Law** Oddeth S.

Burton,2011-12-14 The book seeks to explore what is sin and the law It explains how the law was broken by Adam and had to be codified in the form of the Ten Commandments It started with sin in the angelic realm and then mankind It also explores man solution in the person of Jesus Christ and demonstrate God s love for mankind in the codified message of the Gospel of the Kingdom of God **Fluid with God** David J. Lynden,2016-04-28 The relationship with God is not a cliché but it does

present its challenges What if the struggle to connect with God has less to do with His invisibility and more to do with our spiritual autism our confusion with God and subsequent retreat to religious routines What if God is trying to connect with us much like a parent works to connect with their autistic child Through the cover to cover story of the Bible practical aids and his own experiences with his son Micah the author offers a pathway towards genuine eye contact with God *Back to Faith*

, **Resonant Witness** Jeremy S. Begbie,Steven R. Guthrie,2011-01-10 Resonant Witness gathers together a wide harmonious chorus of voices from across the musical and theological spectrum to show that music and theology can each learn much from the other and that the majesty and power of both are profoundly amplified when they do With essays touching on J S Bach Hildegard of Bingen Martin Luther Karl Barth Olivier Messiaen jazz improvisation South African freedom songs and more this volume encourages musicians and theologians to pursue a more fruitful and sustained engagement with one another What can theology do for music Resonant Witness helps answer this question with an essential resource in the burgeoning interdisciplinary field of music and theology Covering an impressively wide range of musical topics from cosmos to culture and theology to worship Jeremy Begbie and Steven Guthrie explore and map new territory with incisive contributions from the very best musicians theologians and philosophers Bennett Zon Durham University This volume represents a burst of cross disciplinary energy and insight that can be celebrated by musicians and theologians music lovers and God lovers alike John D Witvliet from afterword *Semanatorul (The Sower), Volume One, Number One*

Jesus and Scripture Thomas J. Parker, 2024-02-29 For the New Testament writers the Old Testament scriptures and the teachings of Jesus were key sources of authority and influence When these influences are considered alongside each other each can illuminate the other deepening the New Testament writers presentation of Jesus and our understanding of their interpretations In Jesus and Scripture Tom Parker examines the way in which Hebrews James and 1 and 2 Peter deal with

these two different sources of authority how they relate to each other and what shifts have occurred historically and theologically within the writing of these texts Treating the four epistles methodologically Parker examines the particular ways in which each writer draws on the Hebrew scriptures Ultimately he argues convincingly that the nascent Jesus tradition particularly via oral routes influenced the way the Old Testament was processed by these various New Testament writers
