Ntshona,2014-06-18 In life we choose to differentiate ourselves based on groups of our choice I am better you are worse I am good you are bad I am brilliant you are a mediocre or dumb stupid There are social groups across the world which are said to be in a state of cohesion when its members possess bonds linking them to one another and to the group as a whole In reality there is a tendency of continuous disagreements in the subset of the group The latter usually happens despite clear statutes of the group which entail principles of what is or is not expected In Christianity the same happens Christians sometimes behave as if we serve a multiplicity of gods This letter addressed to pastors including evangelists apostles teachers and prophets and their church members demonstrates our differences in understanding the things of God Our differences which

can be perceived as though we are not of one family serving one Master result primarily from not asking God Himself for a clear direction We are NOT dry bones of one body which are apart from each other We are family we are one The Day of the Lord, the Key to Understanding End-Time Prophecy Allen M. Barber,2011-07 Have modern Christians been enlightened or misled Left behind has been a catch phrase in American church culture for more than a decade but pretribulation beliefs were virtually unheard of before the eighteenth century Many modern day believers await the return of the Lord to rapture the Church before a turbulent tribulation period expecting unbelievers to be left behind to suffer the horrors of this seven year period This popular belief is promoted from many evangelical pulpits and popularized by books and movies but does it really line up with the Bible Dr Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief Once a pretribulationist himself he found that his in depth study of the Bible quickly revealed the errors of this position With spiritual biblical and intellectual insight The Day of the Lord The Key to Understanding End Time Prophecy challenges the very foundation of pretribulation theology Dr Barber stresses the importance of sola scriptura as he guides readers through his compelling and convincing argument for a clearer understanding of end times prophecy
