Damiana L. Eugenio

- The mother of Philippine Folklore compiled and edited what may very well be considered the most comprehensive collection of proverbs in our country

“Folklore” The traditional beliefs, customs, and stories of a community, passed through the generations by word of mouth.

- She spent a lifetime collecting pieces of folk literature that reveal our ancestors' wisdom. When she gathered proverbs from various areas in our country, she declared that our elders lived by simple, yet very meaningful rules of righteous living.

Damiana L. Eugenio

Solidarity, 1993 Awakening Desire Irene Alexander, 2018-04-19 The hope of this book is that it awakens desire to know more intimately the God who breaks through our compartmentalization and naming While most in the West have heard God's name as almost exclusively masculine a child growing up in Israel would have experienced the Spirit of God and Lady Wisdom as female This ruach the breath of God brooded over the face of the deep in the creation story like a hovering mother bird The God of the Bible and the early church has been described with both masculine and feminine imagery referred to by the church fathers and mystics as both Mother and Father In our time we have lost much of this rich feminine imagery This book explores not only this historical knowing of God but also more contemporary writers such as Carl Jung Paul Young The Shack George MacDonald and Thomas Merton Each of these men engaged with the Divine Feminine giving us examples of how we too may find God more deeply and more intimately **Sarabihón**, 2005
