Terrell, Magdalena Andrade, Jeanne Egasse, Elias Miguel Munoz, 2001-10 The philosophy of this best selling introductory text is to emphasize communicative proficiency Based on the Natural Approach the text stresses the use of activities in a natural and spontaneous classroom atmosphere In this comprehension based approach the development of receptive skills listening and reading precedes and forms the basis for the development of the productive skills speaking and writing Dos mundos is designed so that class time can be devoted to exposing students to Spanish through the abundant activities and readings in the text allowing the grammar explanations and exercises to be studied outside of class *Instructor's Manual and Resource Kit to Accompany Puntos de Partida* Knorre, 2004-02 **Punto y aparte Workbook/Laboratory Manual** Sharon Foerster, 2005-12-07 **Workbook/Laboratory Manual for Punto y aparte: Expanded Edition** Sharon Foerster, Anne Lambright, 2010-09-14 Punto y aparte Expanded Edition moves your students beyond learning about the Spanish language to actually using their Spanish in natural meaningful contexts With Punto y aparte Expanded Edition students develop more confidence for communication and begin to think critically about language and culture This is achieved by focusing on seven communicative functions and the grammar structures that support them These communicative functions appear at the beginning of the text and are recycled throughout providing opportunities for review in different contexts Since this is not the typical linear march through grammar one structure at a time students are able to begin using language in a way that is creative and allows for natural language production As the title suggests Punto y aparte Expanded Edition puts students on a successful path from simple phrases to more extensive paragraph length discourse Built on the successful foundation of Punto y aparte the best selling brief intermediate level text the Expanded Edition offers more grammar practice expanded vocabulary and a greater variety of cultural contexts providing ample material for one year intermediate courses while maintaining the flexibility to be used in shorter courses as well

Because students come to Intermediate Spanish with disparate levels of language learning experience and proficiency more challenging grammar receives less focus in the first half of the program allowing instructors to tailor the program to their course depending on student level **Forthcoming Books** Rose Arny, 2002 *Children's Books in Print, 2007, 2006*
