Or, The Voyages and Adventures of Sir Amyas Leigh, Knight, of Burrough, in the County of Devon Charles Kingsley, 1889 Charles Kingsley's Westward Ho is the novel after which the English seaside village was named The story follows the adventures of Amyas Leigh an obstinate young man who decides to go sailing He settles for a certain period in the Caribbean islands searching for gold and succeeds in making a little fortune He then decides to go back to England by the time of the Spanish Armada a sixteenth century Spanish fleet that intended to invade England and overthrow Queen Elizabeth I for rivalry over colonies in the Netherlands the Atlantic and the Pacific Much of the novel describes the struggles between the two world powers picturing the continuous naval battles that they engaged in Amyas becomes greatly concerned when the Spaniards abduct his brother Frank Leigh as well as an admired local beauty named Rose Salterne Furthermore Amyas's life turns into a sad tragedy when he is further struck by a thunderbolt that costs him his eyesight Generally Kingsley gives the story a religious touch by making the war between England and Spain equally appear like a war between Protestantism and Catholicism particularly when he shows how English hostages are often burnt at the stake by the Catholic Inquisition **The New-Yorker** Horace Greeley, Park Benjamin, 1836 The Breeder's Gazette, 1885
