Pierce,Cynthia Long Westfall,Christa L. McKirland,2021-11-02 The conversation about gender roles in Christian life and the church has evolved but the topic continues to inspire debate and disagreement Now in its third edition this fresh positive defense of gender equality brings together scholars firmly committed to the authority of Scripture to explore historical biblical theological cultural and practical aspects of this discussion *Elders Lead a Healthy Family* J. R. Miller,2017-04-20 Elders Lead a Healthy Family explores the biblical paradigm for shared leadership elders as the spiritual big brothers and shepherds to the family of God This book is a fresh biblical alternative to the standard fare of pragmatic church leadership Delivered in a winsome and irenic style the book addresses the key concerns of our day including pastoral burnout women as elders women and the pastoral gift power in leadership abuse of power in ministry ministerial pay and fostering missional leadership structures The answer to so many of the problems facing the church is not more coaching or better education The answer requires our churches to change the very structures that foster abuse isolation and burnout If we hope to save our pastors then we need our pastors to abandon the pastor as CEO model of leadership If we want to reach the lost we need a systemic change in the way we plant grow and maintain our churches Instead of putting a solo leader at the top of Church Incorporated we need to build teams of elders doing ministry together as they lead the family of God
