Trust No Bitch 2 Volume :

Iconophages Jérémie Koering, 2024-08-20 An unprecedented art historical account of practices of image ingestion from ancient Egypt to the twentieth century Eating and drinking images may seem like an anomalous notion but since antiquity in the European and Mediterranean worlds people have swallowed down frescoes icons engravings eucharistic hosts stamped with images heraldic wafers marzipan figures and other sculpted dishes Either specifically made for human consumption or diverted from their original purpose so as to be ingested these figured artifacts have been not only gazed upon but also incorporated taken into the body as solids or liquids How can we explain such behavior Why take an image into one's own body devouring it at the risk of destroying it consuming rather than contemplating it wisely from a distance What structures of the imagination underlie and justify these desires for incorporation What are the visual configurations offered up to the mouth and what are their effects What therapeutic religious symbolic and social functions can we attribute to these forms of relations with icons These are a few of the questions raised in this investigation into iconophagy *Iconophages* aims to retrace for the first time the history of iconophagy Jérémie Koering examines this unexplored facet of the history of images through an interdisciplinary approach that ranges across art history cultural and material history anthropology philosophy and the history of the body and the senses He analyzes the human investment in terms of culture and imagination at stake in this seemingly paradoxical way of experiencing images Beyond the hidden knowledge unearthed here these pages bring to light a new way of understanding images just as they illuminate the occasionally outlandish relations we maintain with them

The Last Templar Collection: Volume 2 Michael Jecks, 2019-02-07 THE KNIGHTS TEMPLAR COLLECTION VOLUME 2 brings together three more of Michael Jecks most popular Knights Templar mysteries Join Sir Baldwin de Furnhill and Baliff Simon Puttock as they journey from England to France and back again in three riveting tales of murder and intrigue The Templar the Queen Her Lover Queen Isabella wife to Edward II of England has been dispatched to France in an attempt to bring about peace between the two countries and Sir Baldwin de Furnhill must accompany her with his friend Simon Puttock But the day after their arrival a servant is found murdered with Baldwin's dagger lying next to the body As Baldwin struggles to prove his innocence the killer strikes again With so many English enemies gathering in Paris will he be able to expose the culprit in time to protect the diplomats and their mission The Prophecy of Death It's 1325 and in England turmoil is rife But could the Prophecy of St Thomas's Holy Oil be the key to saving the ill fated reign of King Edward II It is believed the one anointed with it will be a lion among men he will conquer France unite Christendom and throw the heathens from the Holy Land Meanwhile Sir Baldwin de Furnhill Keeper of the King's Peace and his friend Simon Puttock return from France with urgent messages for the King himself Soon they find themselves at the centre of a deadly court intrigue involving the most powerful and ruthless men in the country who will stop at nothing not even murder to achieve their ambitions The King of Thieves 1325 Sir Baldwin de Furnhill and his friend Simon Puttock are in France guarding King Edward's son on his

perilous journey to meet the French king Charles IV But they are unaware that King Edward s wife Isabella is disaffected and plotting her revenge What first appears a simple diplomatic mission is fast becoming lethally dangerous Meanwhile two murders in Paris are causing alarm Is there a connection between the killings and the shadowy King of thieves Simon and Baldwin know the future of the English crown is at risk And in order to protect it they must put their own lives in jeopardy What readers are saying about The Knights Templar mysteries Full of twists and turns right up until the end Superb with a diverse and fantastic cast of characters mixing historical fact with the author s creations and they blend beautifully Jacks continues to astonish me in adherence to historical accuracy but also in his ability to write a tale so well **CMJ New**

Brost,2020-11-24 In The Anti Heroine on Contemporary Television Transgressive Women Molly Brost explores the various applications and definitions of the term anti heroine showing that it has been applied to a wide variety of female characters on television that have little in common beyond their failure to behave in morally correct and traditionally feminine ways Rather than dismiss the term altogether Brost employs the term to examine what types of behaviors and characteristics cause female characters to be labeled anti heroines how those qualities and behaviors differ from those that cause men to be labeled anti heroes and how the label reflects society s attitudes toward and beliefs about women Using popular television series such as Jessica Jones Scandal and The Good Place Brost acknowledges the problematic nature of the term anti heroine and uses it as a starting point to study the complex women on television analyzing how the broadening spectrum of character types has allowed more nuanced portrayals of women s lives on television **Joel Whitburn's Top**
