Trusting God for Everything Jan Johnson,2011-01-19 The ideal retreat guide for spending time with God

Experiencing God's Love Steven Croft,2011 This five part course for small groups aims to deepen your understanding and first hand experience of living a life of faith It explores five biblical images of the way our lives are changed by walking with Christ

Straw For Stray Sheep K. Torde Torvike,2023-05-19 Straw for Stray Sheep is a refreshing study of arguably the most beloved passage of Scripture in Christendom the twenty third Psalm which the author calls the People s Psalm In an era when relevance and significance are the buzz words of a global culture the book highlights the story of a former shepherd who finds much contentment in his new status as a sheep of another Shepherd The Shepherd whose care he willingly endears himself is none other than the Lord God Almighty In professing his Shepherd s love and care for him the new sheep apparently ignores the existence of other sheep belonging to his new Owner So he comes across as the only sheep in the Master s sheepfold This is David s fascinating posture in Psalm 23 that Straw for Stray Sheep uncovers and defends by urging the public to accept the lone sheep motif as the truth of God s relationship with each of His children The work concedes the mind boggling concept of one sitting comfortably to partake of a meal in the presence of one s enemies But it quickly points out the unlimited power of God in protecting providing for and preserving everyone who trusts Him by faith for His name s sake In a nonthreatening language and step by step approach Straw for Stray Sheep presents its author s take on the twenty third Psalm in four parts The reflection section at the end of each chapter helps and challenges the reader to look deeper into the text and make an honest assessment of his or her walk with Christ

Onward ,1895 *Resting Place* Jane Rubietta,2009-12 A PERSONAL RETREAT We ve never needed it more We run from one place to the next from meetings and appointments to our kids soccer practice from work to class to choir rehearsal from the grocery store to small group and then drop into bed later than we hoped exhausted and dreading the morning We want to slow down but don t know how and don t really believe that we can And often the idea of a personal retreat time for solitude and silence makes us feel as anxious as all our frenzied rushing What in the world would we do with an hour an afternoon or gulp a whole day of solitude with God But what is the cost of our frantic pace What are we missing by not slowing down for reflection and meditation on Scripture What kind of toll does our anxious running take on those around us and even more deeply on our own soul In Resting Place retreat speaker Jane Rubietta addresses soul matters with retreat topics such as dealing with our fear of abandonment wrestling with discontent overcoming our attempts to control others fulfilling our deep desire to be loved Spiritual retreats help us enter Psalm 23 rest a place of true rest and trust in our loving gentle Shepherd With Scripture to meditate on quotes to contemplate questions prayer and journaling ideas and creative exercises Resting Place leads us to and through times of rest The silence and solitude will follow us into our everyday world as we allow Jesus to guide comfort and restore us Come to the Shepherd and find the true rest your soul longs for
