Good Vs. Evil...Overcoming Degradation Through the Love and Brilliance of God: Book Two: Seeking to Duplicate the Heart, Courage and Genius of the Lord Jesus Christ Jerry Davis,2012-08-10 Book One may appear to be a little scary to

read because it takes you into evil and the destruction of lives Far too many people wont begin to take a look What mankind doesnt recognize from afar is that he has been in agreement with many of the lies being perpetuated through the deceitfulness of evil and his lack a awareness He managed to get himself in and now he must fully participate in getting himself out The good news is Book Two is providing the help necessary to bring you out Its giving you the map and the access to understanding that which will help to set yourself free You will find you cannot do all of it alone The life of Jesus Christ is being utilized in Book Two as our ultimate leader teacher and guide You will want to understand the heart courage and genius which was developed Him from living His life in faith The attributes of Jesus can and should be studied and duplicated His teachings are aptly quoted to illustrate various results of life and provide oppositions of thought to counter the mechanics of evil being levied against us through the minds of the self Jesus gave us His teachings examples and demonstrations over two thousand years ago Mankind has made progress since then in maintaining his sanity and integrity but our progress has not proven to me to be enough Look closely at people and their problems and you will see that far too many people are living with way too much pain and fear And we all hear stories of good religious people who experience a fall as they become subject to sinning Yes we are all sinners but much of the sinning we do is because we do not greatly understand The mechanics of evil and the thousands of approaches Satan has to engage a man are often overwhelming I look at our world today and can see the many compulsions at work in the minds of men in mass and Im genuinely concerned Man doesnt begin to understand the size complexity and scope of all that he is up against in our world as it is Weve all heard of Satan and most of us will acknowledge he is there to damage our life but generally thats as far as our knowledge of him goes It is our ignorance of him that make us most vulnerable When we dont recognize the decisions we make are in league with supporting his working mechanics in pain then we dont have much of a chance We need to become enlightened in order to be protective of our souls which is the basis and design of book number three Book Two has two agendas which I continue to present throughout I continue to show the reader the ongoing dilemmas he has to contend with through the cunning and deceit of evil in full cooperation with the six major steps of the longest and greatest lie ever told Various aspects of the lie are a part of each one of us and the lies will literally have to be removed This will take a lot of time and hard work While you will be steadily at work getting to the truth I will continue to show the you the things you will need to actively involve yourself in in order to bring yourself out There are no easy solutions and there is little gain to be made without the accommodation of some pain But the pain will be tolerable and the end will remain as a blessing in your sights You have the Trinity of God working within you through your deep and deliberate breathing You have scriptures of truth to be studied at your disposal and you will have the blessings of your memorized prayer You have the love faith and forgiveness of God working within your essence of being You will be learning to let go and trust in God The more you learn to love them as the Trinity the more you will grow in faith And as Jesus told us It is from faith God will make us well Devotional Living with faith and by the word of God

Biblical Truth and Outdoor Lies: Devotions for the Christian Outdoorsman Black Hills Edition Joshua H. Jones,2008-06-25 In the Black Hills Edition of Biblical Truth Outdoor Lies Pastor Josh Jones artfully draws the outdoor enthusiast into a deeper reflection upon the intersection of Christian faith and hunting and fishing Pastor Jones wonderfully narrated experiences provide a backdrop that hunters and anglers alike will appreciate Rather than leave the reader with good stories which they are he uses these familiar outdoor experiences to transition into simple yet thoughtful truths gleaned from God s Word Much too often we lose sight of God s love for us in Jesus and disconnect the things we love from the One who loves us In a down to earth language all hunters and anglers will recognize and understand Jones bridges the gap between time in the outdoors and time in God s Word The outdoor enthusiast who works through these thoughtful devotions will see the world in a better way that increases both his thanks for the gift of God s love in Christ and the gifts found in God s creation *Finding True Love and Faith* D.K.
