Exposing the Vatican's Greatest Deception For centuries the Roman Catholic Church has claimed to be the guardian of truth yet behind the stained glass and marble halls lies a record of corruption compromise and betrayal In *The Devil in the Holy City* investigative author Brian Malek peels back layers of history and doctrine to reveal how Rome twisted Scripture replaced spiritual transformation with empty ritual and aligned itself with political power instead of Christ Uncover the hidden history of papal corruption and religious control Reveals how pagan traditions were baptized into Christianity to serve Rome's agenda Exposes modern ecumenical movements drawing the world toward a false one world religion Calls readers back to the true gospel found in the original Greek New Testament not Rome's distortions With bold research and biblical insight Malek shows that the battle for souls has always been about control and that the Vatican remains at the center of a global deception leading millions away from the truth of Jesus Christ This is more than history It's a wake up call If you've ever questioned Catholic dogma wondered about the Vatican's role in world affairs or longed for the simplicity of authentic New Testament faith this book will open your eyes Are you ready to confront the greatest spiritual deception of our time

Strange Fire John F. MacArthur, 2013-11-19 In *Strange Fire* bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement What would God say about those who blatantly misrepresent His Holy Spirit who exchange true worship for chaotic fits of mindless ecstasy who replace the biblical gospel with vain illusions of health and wealth who claim to prophesy in His name yet speak errors and who sell false hope to desperate people for millions of dollars The charismatic movement has always been a breeding ground for scandal greed bad doctrine and all kinds of spiritual chicanery As a movement it is clearly headed the wrong direction And it is growing at an unprecedented rate From the Word of Faith to the New Apostolic Reformation the Charismatic movement is being consumed by the empty promises of the prosperity gospel Too many charismatic celebrities promote a Christianity without Christ a Holy Spirit without holiness And their teaching is having a disastrous influence on a grand scale as large television networks broadcast their heresies to every part of the world In *Strange Fire* MacArthur lays out a chilling case against the modern Charismatic movement that includes Rejecting its false prophets Speaking out against their errors Showing true reverence to the Holy Spirit Clinging to the Bible as the inerrant authoritative Word of God and the one true standard by which all truth claims must be tested
