Try Hard Max Kerman, 2025-04-22 Funny conversational and relatable Try Hard is for anyone looking to make sense of their own creative pursuit or bring more creativity into their life offering a framework for how to do it and where to begin Let's say you see a familiar musician from a globe trotting touring band hanging out at your local coffee shop reading the newspaper and typing away on his laptop This doesn't look like a musician at work He seems approachable enough so you ask him what exactly he does all day With a grin on his face he admits the job might not be what you think So you take a seat and ask him every question you've ever had about how it all works the nuts and bolts of writing a song preparing for a show marketing a band and the day to day business of a creative life With each answer none of it about talent you realize this musician is a bit of a try hard And the mystery of being a creative person isn't actually mysterious at all it's just exploring ideas with an enthusiastic and determined curiosity Over and over Max is that musician in the coffee shop and this is what reading Try Hard feels like one of a kind tales from a dynamic frontman and a companion to your own creative work in

progress With a brick by brick attitude Max explores his own growth in the craft of storytelling and performance the pleasure to be found in collaboration and the creative spirit required in sharing your art
