Nena spends her days caring for the small children of her older sisters and longing for a life of adventure. The premonitions and fainting spells she has endured since childhood are getting worse and Nena worries she'll end up like the scary old curandera down the street. Nena prays for help and when the mysterious Sister Benedicta arrives late one night, Nena follows her across the borders of space and time. In colonial Mexico, Nena grows into her power, finding love and learning that magic always comes with a price. In the present day, Nena's grandniece Marta balances a struggling legal aid practice with motherhood and the care of the now ninety-three-year-old Nena. When Marta agrees to help search for a daughter Nena left in the past, the two forge a fierce connection. Marta's own supernatural powers emerge, awakening her to new possibilities that threaten the life she has constructed. *Sexy, smart and soulful.* Luis Jaramillo's *The Witches of El Paso* pulls us across borders and time to get to the essence of what it means for families to survive this beautiful, fractured world.
