Between the Desert and the Deep Blue Sea Gill Suttle, 2007-02 To those for whom the name of Syria conjures up images of George W Bush's Axis of Evil or who picture the Middle East in general to be a place of endemic unrest or squabbling religious factions this book will come as a revelation Here they will discover a nation where all clans and creeds live in enviable harmony their goodwill towards each other exceeded only by the warmth of their welcome to an eccentric foreigner The author enjoyed a relaxed spontaneous ramble living out of home made saddlebags enjoying the hospitality of local people and often sleeping rough Best of all her companion was that of her wildest childhood fantasies an Arab stallion While briefly informed by history Islam and its offshoots geography and where absolutely unavoidable politics this delightful book is principally an account of the people of Syria and of a gallant and memorable horse Illustrated with maps and a fine selection of photographs

Road to the Grey Pamir Ana Louise Strong, 2001-08-01 Few equestrian travelers had a more politically radical life than did the American Anna Louise Strong Having been raised in Seattle in the early 1900s where she was strongly influenced by the labor riots and social unrest of that time Strong turned her back on her otherwise normal suburban roots and fled overseas Denouncing capitalism she began a series of state sponsored journeys deep into the secretive heart of the recently formed Soviet Union Her resulting books described a worker's paradise and invariably praised the communist experiment Dictator Joseph Stalin was so pleased with this American convert he encouraged her to visit the far flung corners of the new Red Empire **The Road to the Grey Pamir** is the story of how Strong
