Truth Aflame A Balanced Theology For Evangelicals And Charismatics:

Truth Aflame Larry D. Hart,1999 Truth Aflame bridges evangelical and charismatic Pentecostal streams merging them in a theology that integrates biblical and historical theology into a coherent whole interpreting biblical faith for today's questions and concerns

Towards a Pentecostal Eschatology Larry R. McQueen,2019-05-21 Growing out of the need to articulate an eschatology that is consistent with the theological beliefs spiritual experience and hermeneutical insights of the Pentecostal movement this volume applies an interdisciplinary approach to the subject integrating historical biblical and theological studies After providing a comprehensive review of the current state of Pentecostal eschatology the study explores the periodical literature of the earliest years of the movement understanding this period to be the heart or originating source of the tradition Drawing upon insights gained from this exploration the boundaries for discerning a contemporary Pentecostal eschatology are established and a constructive biblical theological contribution to this subject is offered focused upon a fresh reading of Revelation 21 22 and framed around the narrative testimony of the fivefold gospel that emerges from the heart of the tradition

Ezekiel and Eschatological Violence Alicia R. Jackson,2025-01-07 This monograph explores the topic of eschatological violence in Pentecostal biblical interpretation of Ezek 36 16 39 29 Rev 19 11 21 and Rev 20 7 10 By reviewing Pentecostal reception history of these texts considering the influence of classical dispensationalism on Pentecostal biblical interpretation and eschatology this study offers a peace reading that aligns with both early Pentecostal writers and contemporary Pentecostal scholars whose eschatology departs from classical dispensationalism This monograph builds a case for envisioning a hopeful and proleptic premillennial eschatology that emphasizes the peace and reconciliation of the gospel more than end times war and violence

In Praise of Worship David J. Cohen,Michael Parsons,2010-06-01 Drawing together scholars from fields of biblical studies systematic theology liturgics and pastoral theology In Praise of Worship questions an overemphasis on singing and music alone as worship in today's church Whilst not minimizing moments of conscious and deliberate worship the authors show that according to a close reading of Scripture and a clear understanding of theology the whole of our lives is to be considered as worship glorifying to the Lord who deserves such honor Contributors Nancy Ault Alastair Campbell David J Cohen David G Firth Travis Fitch Michael W Goheen Stephen Haar Brian S Harris Chris Jack Angela McCarthy Alan Niven John W Olley Michael O Neil Robin Parry Michael Parsons Michael J Quicke

Saved, Sanctified and Serving Denis Metrustery,2016-06-01 This comprehensive significant work on Salvation Army theology and practice is designed to help reinforce Salvationists appreciation of their movement's rationale and mission helping to maintain and increase the Army's unique position within the Church and as part of global faith based responses to humanitarian need The writers in this volume hold and proclaim a clear vision for the Army's future fully seizing contemporary opportunities while retaining the fire and zeal of the primitive Movement
