& Angels Sing Melinda Kucsera,2024-02-22 A family searches for the true meaning of Christmas then must save it in an epic
fantasy adventure told through poems Do you like The Night Before Christmas poem Do you wish it had a ton more magic
and an adventure to find the true meaning of Christmas Then you ll love Stars Angels Sing In a land where magic is illegal
Sarn must hide his magic and his son to stay alive For an indentured man can claim nothing not even his own child When his
master found out about his son Sarn s worst fear was realized Will his master help him get custody of his son Or will this tear
his family apart With nowhere to go and no choice but to obey orders Sarn must move his son in with his master s family
They go from living in a chilly cave with no running water and no idea where their next meal will come from to his master s
warm multi room home Are they guests Or are they here to serve This change of living quarters didn t come with a change in
station As their foster family observes Advent tensions mount as the symbols of a season and a strange holiday grow What is
Christmas Why does his master celebrate it Should he let his son participate in this mysterious tradition Sarn has no way to
find out except to ask his master about it and expose his ignorance But this is the best place for his son and he won t risk
losing it Thankfully Sarn s struggle doesn t go unnoticed nor does his wish to understand the reason behind the season go
unanswered With help from Santa an iceman some determined fairies and other holiday favorites Sarn and his son discover
the heart of the season and a new tradition His struggle might just win him the only present he wants for Christmas custody
of the little boy that lights up his life This story is told in a series of poems that build upon each other to tell a fantastic
adventure of a father and son s search for the magic of Christmas The 2023 edition of Stars Angels Sing also includes stories
and poems featuring Sarn and his family in their humorous quest to survive the events of Thanksgiving Day and the book is
30% longer than the original version including holiday stories that were written later but are part of the overall holiday
